RE: Application of Time Warner Cable Business, LLC, d/b/a Time Warner Cable for a  
Certificate of Public Convenience and Necessity to Provide Competitive Interexchange  
Services/Docket No. 13-00087

Dear Mr. Foster:

In response to your data request of August 19, 2013, the Applicant seeks a certificate as a facilities-based interexchange carrier, not as a long distance reseller or local service provider. As explained on the Application (at 5), the company initially plans to resell the transmission facilities of its affiliates and parent but may also lease and/or construct additional facilities on an as-needed basis.

In response to your question about the Company's d/b/a, the Applicant will, as the caption indicates, operate under the name "Time Warner Cable." Attached is the company's filing with the Tennessee Secretary of State to operate under the name "Time Warner Cable."

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
