Dear Sir

We thank you for your reply of February 5th, 2014 and welcome your decision to agree to a reconsideration hearing and to allow the Company to file a response to the Petition.

The date for the hearing on April 14th, 2014 is noted and the Company will collate the necessary evidence and reply for filing with the TRA Docket Clerk prior to the hearing.

We trust that this reply is sufficient and that no further response is required by February 15th, 2014. We understand that any response and documentation can be filed with the Clerk at any time prior to the hearing date.

We thank you for your assistance but should there be any requirement to file evidence before a particular date prior to the hearing then we should be obliged if you could provide such date. Would you please email or fax any further reply for the attention of the writer as clearly there is an issue with postal delivery.

Yours sincerely,

Michael Barron
