RE: Petition of Kentucky Utilities Company for an Order Amending and Extending Authority with Respect to Revolving Line of Credit, Docket No. 13-00096; First Response to Data Request

Dear Mr. Kettles,

This letter is in response to your letter dated June 28, 2013 seeking the status and periodic updates on the similar filings of Kentucky Utilities Company ("KU") pending before the Kentucky Public Service Commission ("KPSC") and the Virginia State Corporation Commission (VSCC").

On June 20, 2013 KU filed its Application with the KPSC (Case No.2013-00238) requesting an order amending and extending authority with respect its revolving line of credit that is also the subject of the above referenced TRA docket. The KPSC has acknowledged receipt of the Application, but no substantive action has been taken.

On June 30, 2013, KU filed a letter with the VSCC in Cases No. PUE-2010-00061 and PUE-2012-00078 for an order amending and extending authority with respect its revolving line of credit that is also the subject of the TRA docket. No substantive action has been taken, however, KU anticipates that an order will be issued by July 23, 2013.

We will continue to provide you with periodic updates and will file the orders with the TRA when they are issued by the Kentucky and Virginia Commissions. Please contact me if you have any questions or need additional information.

Sincerely,

*D. Billye Sanders*
