RE: 2nd Amendment to State-issued Certificate of Franchise Authority (Docket No. 13-00101)

Dear Mr. Friedman:

On October 31, 2019, the Tennessee Public Utility Commission ("TPUC") received your application on behalf of Community Television Company ("CTC") to issue the second amendment to CTC's state-issued certificate of franchise authority pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (the "CCVSA").

Upon review, it has been determined that the application complies with the statutory requirements of the CCVSA and is therefore complete. Further action will be taken on the application as delineated within the CCVSA and an amended Certificate will soon be issued. Should you have any questions or concerns in this matter, please contact me at (615) 770-6889 or the address listed above. Thank you for your interest and cooperation.

Sincerest Regards,

John Hutton
