Subject: Tennessee Certificate of Franchise Authority for CTC

Mr. Friedman,

According to Tennessee Public Utility Commission records, Cinnamon Mueller represented Community Television Company ("CTC") in the Company's application for a Certificate of Franchise Authority. The Certificate was issued in Docket 13-00101, on August 2, 2013.

1. In accordance with Tennessee Code Annotated, Section 7-59-305(f)(1), the Certificate was issued for a term of ten (years). Therefore, the holder of the Certificate (CTC) will need to reapply soon.
2. The process is the same as the original application and should be filed in Docket No. 13-00101.

If you no longer represent CTC in these matters, will you please see that the appropriate person is notified? Please contact me with questions. I'll be happy to help.
