**RESPONSES OF CONSUMER ADVOCATE AND PROTECTION DIVISION
TO FIRST DISCOVERY REQUESTS OF ATMOS ENERGY CORPORATION**

The Consumer Advocate and Protection Division of the Office of the Attorney General, pursuant to the Authority's Order Granting Consumer Advocate's Petition to Intervene & Establishing Procedural Schedule entered on September 18, 2013, hereby submits its responses to the first discovery requests of Atmos Energy Corporation.

REQUEST NO. 1: Produce all documents generated by each of your witnesses in this matter, including without limitation all notes, reports, correspondence, work-papers, spreadsheets, calculations and the like. The work-papers and calculations should be produced in Excel working format with numbers, formulas and linked files provided.

RESPONSE: The Consumer Advocate's investigation into this matter is ongoing. It has not yet determined whether it will call any witnesses to testify at the hearing on the merits in this docket. If the Consumer Advocate decides to call any witnesses, it will supplement its response to this request to provide the requested documents contemporaneously with the filing of the witness' pre-filed testimony.

REQUEST NO. 2: Produce all documents that have been referenced or relied upon by each of your witnesses in this matter.

RESPONSE: See response to Request No. 1, above.

REQUEST NO. 3: Produce all documents in your possession, custody, or control that relate in any way to any of the Atmos or United Cities performance based ratemaking plans.

RESPONSE: See response to Request No. 4, below.

REQUEST NO. 4: Produce all documents in your possession, custody, or control that relate in any way to a performance based ratemaking plan or incentive plan involving a gas utility regulated by the Tennessee Regulatory Authority (or its predecessor).

RESPONSE: The Consumer Advocate is aware of the following matters that include documents relating to a performance based ratemaking plan or incentive plan involving a gas utility regulated by the TRA, including Atmos or United Cities:

The Consumer Advocate has made reasonable efforts to search its files and archives for documents related to the above-styled dockets. The Consumer Advocate has identified both publicly-available documents and confidential documents that are responsive to this request.

Publicly-Available Documents. With regard to publicly-available documents, the documents that are in the Consumer Advocate's possession can also be accessed and downloaded from the various docket pages on the TRA's website, copies of which are attached hereto as collective Exhibit 1, with the exception of TRA Docket Nos. 95-01134, 97-01364, and 07-00224.

For TRA Docket No. 95-01134 and its companion TRA Docket No. 97-01364, the Consumer Advocate has documents consisting primarily of pleadings, testimony, and transcripts which are not available on the TRA's website. Since the number of documents is voluminous (approximately three archive boxes) and since the documents are in hardcopy format only, the Consumer Advocate will make these documents available for inspection at the Office of the Attorney General during regular business hours upon reasonable notice.

For TRA Docket No. 07-00224, the Consumer Advocate has documents consisting primarily of FERC orders and regulatory filings that are not available on the TRA's website. These documents are being provided on the enclosed CD labeled "TRA Docket No. 13-00111, CAPD Response to Atmos DR#4, FERC Orders and Filings."

Confidential Documents. The Consumer Advocate is in possession of confidential documents that are privileged pursuant to various protective orders entered in the following matters: TRA Docket Nos. 95-01134, 97-01364, 01-00704, 05-00165, 05-00322, 07-00224, 07-00225, 08-00012, and 10-00049. Copies of the protective orders for these dockets are attached hereto as collective Exhibit 2. Although these confidential documents are privileged and, accordingly, will not be produced, the Consumer Advocate provides the following general description of the confidential documents that are in its possession:

TRA Docket Nos. 95-01134 and 97-01364. Confidential documents relate primarily to information concerning natural gas purchases, natural gas procurement workpapers, incentive plan calculations, quarterly incentive plan filings, and testimony and exhibits that contain proprietary information.

TRA Docket No. 01-00704. Confidential documents relate primarily to natural gas commodity, transportation and storage contracts and agreements; responses to interrogatories containing proprietary information; and testimony and exhibits containing proprietary information.

TRA Docket No. 05-00165. Confidential documents relate primarily to gas supply plans and schedules, worksheets containing incentive plan analyses and computations, and information regarding asset manager transactions.

TRA Docket No. 05-00322. Confidential documents relate primarily to asset manager RFP and bid information.

TRA Docket No. 07-00224. Confidential documents relate primarily to natural gas invoices, natural gas supply worksheets and calculations supporting ACA filings, and responses to interrogatories containing proprietary information.

TRA Docket No. 07-00225. Confidential documents relate primarily to natural gas invoices; natural gas commodity, transportation and storage contracts and agreements; worksheets and calculations regarding natural gas transactions; e-mail communications that contain proprietary information about natural gas transactions; worksheets and calculations

regarding natural gas sales; general ledger and accounting data; financial statements; tax returns; responses to interrogatories containing proprietary information; and attorney's fees information.

TRA Docket No. 08-00012. Confidential documents relate primarily to asset manager RFP and bid information and asset manager contracts and agreements.

TRA Docket No. 10-00049. Confidential documents relate primarily to asset manager RFP and bid information and asset manager contracts and agreements.

The Consumer Advocate does not waive its right to challenge the probative value or relevancy of any document referenced or submitted pursuant to this request.

REQUEST NO. 5: Produce all hearing exhibits and other documents that you plan to introduce, use, or reference at the hearing on the merits in this matter.

RESPONSE: The Consumer Advocate has not yet determined the hearing exhibits and other documents that it may introduce, use, or reference at the hearing on the merits in this matter. The Consumer Advocate will supplement its response to this request once this determination has been made.

REQUEST NO. 6: Identify each person who you expect to call as an expert witness at the hearing on the merits in this docket, and for each such expert witness:

(a) Provide a complete educational, professional and employment history. Include in your response a complete disclosure of all aspects of the expert's education and employment background that you contend qualify the witness to render expert testimony on the issues on which he will testify in this case. Please be sure to include the date(s) applicable to each entry.

(b) Separately for each expert witness, list each published scholarly work (article, book chapter, book, etc.) that the witness has authored or co-authored. Provide a citation to the work that includes the title, date, and publication.

(c) Identify each matter in which the expert has testified or submitted pre-filed written testimony on any subject about which he intends to offer expert testimony in this case. For each matter, provide the name, docket number, forum, dates of testimony, whether the testimony was live or written, and the subjects on which the expert offered testimony in the case. Produce a copy of all such testimony (in electronic form if available).

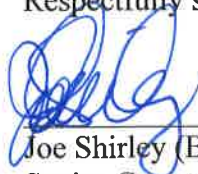

(d) Produce each expert's entire file in this case, including all work papers, drafts, correspondence, spreadsheets, documents collected, summaries, charts, trade articles, journals, treatises, publications, file notes, chart notes, tests, test results, interview notes, and consultation notes provided to, reviewed by, utilized by, relied upon, created by, or produced by the expert witness in this matter. Where available, please provide working Excel files (or other data file types if applicable).

RESPONSE: The Consumer Advocate's investigation of this matter is ongoing. It has not yet determined whether it will call any witnesses to testify at the hearing on the merits in this matter. If the Consumer Advocate decides to call any witnesses, it will supplement its response to this request to provide the requested information and documents contemporaneously with the filing of the witness' pre-filed testimony, with the exception of all drafts of documents.

The Consumer Advocate objects to producing all drafts on the grounds that such production is overly burdensome, costly, and irrelevant. Requiring the Consumer Advocate's witnesses to save and manage all drafts of their work would cause the Consumer Advocate to incur unnecessary expense and would not generate information that would be useful to either Atmos or the TRA in the trial on the merits of this matter. The procedural schedule in this docket requires each party to submit the pre-filed testimony of its witnesses. The submission of pre-filed testimony ensures that neither party is surprised by the other party's position on the issues to be tried, or is otherwise ambushed at the hearing on the merits by a party's attempt to litigate new issues not previously raised. Accordingly, the Consumer Advocate will comply with this request by producing or referencing all documents created, produced, used, or relied upon by its witnesses that support the facts, opinions, proposals, and recommendations presented by its witnesses when their pre-filed testimony is submitted.

Notwithstanding the foregoing, the Consumer Advocate states that it may call Dr. Christopher C. Klein to testify at the hearing on the merits in this matter. Dr. Klein's Vita, which contains information responsive to Request Nos. 6(a) through 6(c), is attached hereto as Exhibit 3. If the Consumer Advocate decides to call Dr. Klein as an expert witness, it will supplement its response to this request to provide information responsive to Request No. 6(d) contemporaneously with the filing of Dr. Klein's pre-filed testimony, including all work papers and other documents created, produced, used, or relied upon by Dr. Klein.

PROTECTIVE AGREEMENT

To expedite the flow of filings, exhibits and other materials, to adequately protect material entitled to be kept confidential, and to keep such information from becoming a part of the public domain, Woodward Marketing, LLC (Woodward), United Cities Gas Company (United Cities), and the Consumer Advocate Division (CAD) hereby agree to the following:

1. For the purpose of this Protective Agreement (the "Agreement"), "Confidential Information" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential research, development or other sensitive information, and which has been specifically designated by the producing party. A producing party is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Agreement. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Agreement.

2. In order to respond to CAD Discovery Request 13 (a) and 13 (c), Woodward has agreed to provide the following information under this Protective Agreement, to wit: (a) information regarding the contracts that Woodward has entered into with suppliers in order to purchase gas that is then sold to United Cities and (b) information regarding the contracts that Woodward has entered into with non-affiliate customers for similar gas sales or services.

3. All parties to this agreement shall act in good faith in discharging their obligations hereunder.

4. Confidential Information shall be disclosed only to the following persons:

(a) counsel of record for the parties in this case and associates, secretaries, and paralegals actively engaged in assisting counsel of record in this and the designated related proceedings;

(b) in-house counsel for the parties;

(c) officers, directors, or employees of the parties, including employees of the CAD, who are directly and specifically consulted or involved in this docket; provided, however, that Confidential Information shall be shown only to those persons having a need to know;

(d) TRA Directors and members of the staff of the TRA.

Under no circumstances shall any Confidential Information be disclosed to or discussed with anyone associated with the marketing of products, goods or services in competition with the products, goods or services of the producing party.

5. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Agreement, or any information contained therein, shall be filed and maintained with the Executive Secretary of the TRA in sealed

envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Agreement. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA or Pre-hearing Officer after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA or Pre-hearing Officer, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Agreement.

6. Documents, information and testimony designated as CONFIDENTIAL, in accordance with this Agreement, may be disclosed in testimony at the hearing of this proceeding and offered into evidence used in any hearing related to this action, subject to the Tennessee Rules of Evidence and to such future orders as the TRA or the Pre-hearing Officer may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL shall advise the TRA or the Pre-hearing Officer and the producing party before use of the information during witness examination so that appropriate measures can be taken by the TRA or the Pre-hearing Officer to protect the confidential nature of the information.

7. The parties agree that any production of Confidential Information by Woodward in no way implies that the unregulated business of Woodward is subject to the jurisdiction of the TRA.

8. The parties also recognize the contractual obligation between Woodward, United Cities, and certain other local distribution customers of Woodward which prohibits the disclosure of certain confidential information to United Cities. (See Exhibit A attached to this Agreement.)

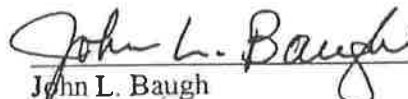

This contractual obligation also requires Woodward and United Cities to oppose by all reasonable legal means the production of such confidential information; however, Woodward and United Cities agree to waive this obligation in order to move this case forward on its current schedule.

9. Nothing in this Agreement shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality. Nothing in this Agreement is intended to limit or expand the statutory authority of the Attorney General or the CAD as expressed in TCA Section 10-7-504(a) titled "Confidential Records" and TCA Section 65-4-118 titled "Consumer Advocate Division."

10. After termination of this proceeding, the provisions of this Agreement relating to the secrecy and confidential nature of "Confidential Information" shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or other for five years unless this Agreement is vacated or modified.

PROTECTIVE ORDER

To expedite the flow of discovery material and to facilitate the prompt resolution of disputes regarding confidentiality of the material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled¹; the Tennessee Regulatory Authority ("TRA") hereby orders, under Rule 26.03 of the Tennessee Rules of Civil Procedure, that:

1. For the purpose of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential research, development or commercial information, and which has been specifically designated by the producing party. A producing party is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically

¹ Lovcall v. American Honda Motor Co., Inc., 694 S.W. 2d. 937 (Tenn. 1985)

marked as confidential on the cover with accompanying page numbers on which is shown the CONFIDENTIAL INFORMATION. Each document containing CONFIDENTIAL INFORMATION must be highlighted under or through the passages of information to clearly identify the CONFIDENTIAL INFORMATION without defacing the information or rendering it undecipherable. The document must be accompanied by proof of confidentiality, that is, an affidavit showing the cause for the protective Order.² Any document so designated shall be handled in accordance with this Order.

2. Any party or nonparty subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include parties which are allowed by the TRA to intervene subsequent to the date of entry of this Protective Order.

3. CONFIDENTIAL INFORMATION shall be disclosed only to the following persons:

- (a) counsel of record for the parties in this case and associates, secretaries, and paralegals actively engaged in assisting counsel of record in this and the designated related proceedings;
- (b) in-house counsel for the parties;
- (c) officers, directors, or employees of the parties, including employees of the Consumer Advocate Division, who are directly and specifically consulted or involved in this docket; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;
- (d) TRA Directors and members of the staff of the TRA;

² "To show good cause under Rule 26.03, the moving party must demonstrate specific examples of harm and not mere conclusory allegations. When confidential commercial information is involved, this standard requires a showing that disclosure will result in a clearly defined and very serious injury to the company's business, or stated differently, great competitive disadvantage and irreparable harm." Loycall v. American Honda Motor Co., Inc., 694 S.W. 2d., at 939.

- (e) outside consultants and expert witnesses employed or retained by the parties or their counsel, who have access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days' written notice to the producing party of intention to disclose CONFIDENTIAL INFORMATION. During the notice period, the producing party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the Tennessee Regulatory Authority, the Pre-Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be served within three (3) days after service of the motion. Pre-Hearing conferences may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

Under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods or services in competition with the products, goods or services of the producing party.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any TRA Director, member of the TRA staff, employee, officer or director of the parties, including any employee of the Consumer Advocate Division, counsel shall provide a copy of this Order to Director, staff member, employee, officer, or director, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to the outside consultant or expert witness, who shall sign an affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents stamped CONFIDENTIAL constitutes a violation of this Order. This affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the

producing party a copy of each Affidavit and shall keep the Affidavits executed by the parties' experts or consultants on file at their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing conference called for the purpose may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Pre-Hearing Officer or Administrative Law Judge, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority, the Pre-Hearing Officer or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-Hearing conference or hearing on the merits of the case, allow the information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

6. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained with the Executive Secretary of the TRA in sealed envelopes marked CONFIDENTIAL and labeled to reflect the title of this proceeding, the docket number and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA, Pre-Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA, Pre-Hearing Officer or

Administrative Law Judge, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

7. Documents, information and testimony designated as CONFIDENTIAL, in accordance with this Order, may be disclosed in testimony at the hearing of this proceeding and offered into evidence used in any hearing related to this action, subject to the Tennessee Rules of Evidence and to such future orders as the TRA, the Pre-Hearing Officer, or the Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL shall inform the producing party and the TRA, the Pre-Hearing Officer, or the Administrative Law Judge, prior to the hearing on the merits of the case in the manner designated previously in this Order, of the proposed use; and shall advise the TRA, the Pre-Hearing Officer, or the Administrative Law Judge, and the producing party before use of the information during cross-examination so that appropriate measures can be taken by the TRA, the Pre-Hearing Officer, or the Administrative Law Judge, and/or requested by the producing party in order to protect the confidential nature of the information.

8. Except for documents filed with the Executive Secretary of the TRA, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record.

9. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently

developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

10. Any party may contest the designation of any document or information as CONFIDENTIAL by applying to the TRA, Pre-Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information, or testimony should not be so treated.³ All documents, information and testimony designated as PROPRIETARY CONFIDENTIAL, however, shall be maintained as such until the TRA, the Pre-Hearing Officer, the Administrative Law Judge, or a court orders otherwise. A motion to contest must be filed not later than 15 days prior to the Hearing on the Merits. A Reply from the Company seeking to protect their CONFIDENTIAL INFORMATION must be received not later than 10 days prior to the Hearing on the Merits.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality. Nothing in this Order is intended to limit or expand the statutory authority of the Attorney General or the Consumer Advocate Division as expressed in *T.C.A. § 10-7-504(a)* and *T.C.A. § 65-4-118*.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL and by filing an appropriate motion with the TRA, in which event the provisions

³ Absent a showing of clearly defined and very serious injury to the disclosing company's business or great competitive disadvantage or irreparable harm, disclosure of information may be made. Lovcall v. American Honda Motor Co., Inc., 694 S.W. 2d., at 939.

of this Order shall govern the disclosure of information or documents provided by the non-party witness.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding or any appeals resulting from such an order, all documents and information designated CONFIDENTIAL and all copies thereof shall be returned to counsel for the party who produced (or originally created) them within fifteen (15) days or counsel in possession of the documents shall certify to counsel for the producing party that all the documents and that all extracts and summaries showing or referring to the documents and information and all copies thereof have been destroyed.

17. After termination of this proceeding, the provisions of this Order relating to the secrecy and confidential nature of CONFIDENTIAL DOCUMENTS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others for five years unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

19. One or more of the parties to this proceeding have previously executed a Protective Agreement, attached to this Order as Exhibit A concerning proprietary matters in this Docket. The

provisions of that Agreement are incorporated into this Order as if fully restated herein. In the event that any of the provisions of that Protective Agreement conflict with this Protective Order the provisions of this Order shall control.

ENTERED THIS 25th day of MARCH, 1998.

PROTECTIVE ORDER

To expedite the flow of filings, discovery, exhibits and other materials, and to facilitate the prompt resolution of disputes regarding confidentiality of the material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, and the parties being in agreement as to the entry of this Protective Order, the Hearing Officer, as appointed by the Tennessee Regulatory Authority ("TRA"), hereby orders the following:

1. For the purpose of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential commercial information, confidential research, development, financial statements, confidential data of third parties, or other commercially sensitive information, and which has been specifically designated by the producing party. A "Producing Party" is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect

reproduction from or of any protected materials shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically marked as "CONFIDENTIAL" on the cover and each page of the document. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 11 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties permitted to intervene in this matter after the date of entry of this Protective Order shall be subject to the terms and conditions of this Protective Order and will be allowed access to CONFIDENTIAL INFORMATION under the conditions prescribed herein.

3. CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding, and shall be expressly limited and disclosed only to the following persons:

- (a) Counsel of record for the parties and other legal counsel for the parties in this case and associates, secretaries and paralegals actively engaged in assisting counsel of record in this proceeding;
- (b) TRA Directors and members of the staff of the TRA;
- (c) officers, directors, or employees of the parties, including employees of the Office of Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;
- (d) Representatives of the parties who need to know because they are actively engaged in assisting counsel of record in preparing for this proceeding; and
- (e) Outside consultants and expert witnesses (and their Staff) employed or retained by the parties or their counsel, who need access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall

give five (5) days written notice to the Producing Party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the Producing Party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA or the Hearing Officer rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the Motion. A Pre-hearing conference may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery, facsimile or email. All filings by email in this docket shall be followed up by delivering a hard copy of the filing to the Dockets Manager of the TRA.

4. Notwithstanding the provisions in Paragraph 3 above, under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods, or services that may be in competition with the products, goods or services of the Producing Party. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, except for in-house counsel and persons who need to know in order to assist counsel of record with preparation of this case.

5. Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee, associate counsel, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign the Nondisclosure Statement in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. The Nondisclosure Statement shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the Producing Party a copy of each such

Nondisclosure Statement and shall keep the Nondisclosure Statements executed by the parties' experts or consultants on file in their respective offices.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. In no event shall the TRA, or any party to this Order, be liable for any claims or damages resulting from the disclosure of a document provided while not so labeled as "CONFIDENTIAL." An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL status.

7. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Hearing Officer or the Authority, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority or the Hearing Officer may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the Merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

8. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained in the TRA Docket Room in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA or the Hearing Officer after due notice to counsel of record. The filing party shall also include with the filing a public version of the papers with any CONFIDENTIAL INFORMATION redacted. The public version shall reflect the style of the proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter, and shall reference this Protective Order. Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA or the Hearing Officer provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

9. Documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS (as defined in Paragraph 20) in accordance with this Order, may be used in testimony at the Hearing of this proceeding and offered into evidence or used in any hearing related to this action in a manner that protects the confidentiality of the information, subject to the Tennessee Rules of Evidence and to such future orders as the TRA or the Hearing Officer may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall inform the Producing Party and the TRA or the Hearing Officer prior to the Hearing on the Merits of the case, of the proposed use; and shall advise the TRA or the Hearing Officer and the Producing Party before use of the information during witness examinations so that

appropriate measures can be taken by the TRA or the Hearing Officer to protect the confidential nature of the information.

10. Except for documents filed in the TRA Docket Room, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record, kept in a secure place and returned to the Producing Party pursuant to Paragraph 17 of this Order.

11. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

12. Any party may contest the designation of any document or information as CONFIDENTIAL or PROTECTED SECURITY MATERIALS by filing a Motion with the TRA or Hearing Officer as appropriate, for a ruling that the documents, information or testimony should not be so treated. All documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS, however, shall be maintained as such until the TRA or the Hearing Officer orders otherwise. A Motion to contest must be filed not later than fifteen (15) days prior to the Hearing on the Merits. Any Reply from the Company seeking to protect the status of their CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS must be received not later than ten (10) days prior to the Hearing on the Merits and shall be presented to the Authority at the Hearing on the Merits for a ruling.

13. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality.

14. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL, in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A designation of information as CONFIDENTIAL by a non-party witness may be challenged under Paragraph 12 of this Order.

15. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in Paragraph 5 of this Order.

16. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

17. Upon entry of a final order in this proceeding, and the conclusion of any appeals resulting therefrom, all the filings, exhibits and other materials and information designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS and all copies thereof shall be returned to counsel for the party who produced (or originally created) the filings, exhibits and other materials, within fifteen (15) days. Notwithstanding any provision herein to the contrary, the requirement of this paragraph shall become operative immediately upon any intervenor who withdraws or otherwise ceases to be a party to the case, even though the case itself may continue to be pending. Subject to the requirements of Paragraph 8 above, the TRA shall retain copies of information designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS as may be necessary to maintain the record of this case intact. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall certify to counsel for the Producing Party that all the filings, exhibits and other materials, plus all copies or extracts, notes or

memorandums from the filings, exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the Producing Party or destroyed and that any electronic copies of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS received or mentioned by the receiving party have been eliminated.

18. After termination of this proceeding, the provisions of this Order relating to the confidential nature of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others unless this Order is vacated or modified or is supplanted by an order of the court or courts before which is pending a challenge to any order entered in this proceeding.

19. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

20. In addition to the other provisions of this Order, Atmos Energy Company ("the Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenors in this docket.

21. The Company shall provide access to an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed a Nondisclosure Statement in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii)

PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

22. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form or information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with the Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA Directors, TRA staff and any other party shall treat all notes memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as confidential and shall keep them in a secure location with access limited to an authorized representative, and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding without disclosing protected information to the public in accordance with this Order.

23. The Attorney General and his staff have authority to enter into Nondisclosure Agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

24. The Attorney General and his staff agree to keep CONFIDENTIAL INFORMATION in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of Attorney General and Reporter, or a person who has signed a Nondisclosure Agreement.

25. The Attorney General and his staff may make copies of CONFIDENTIAL INFORMATION or any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

26. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

27. The obligations of the Attorney General, and their respective staff, under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General, or a member of their respective staff, is served with a subpoena, public records request, FOIA request, or other request that calls for the production of confidential commercial information labeled as "CONFIDENTIAL" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of the court as long as the Attorney General, or their

respective staff, is able to respond to the request within a reasonable time. Following the five (5) day notice period, the Attorney General, or their respective staff, may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL" by the Company that is subject to such request.

28. The designation of any information, documents or things in accordance with this Order as constituting or containing confidential or proprietary information and the Attorney General's, or their respective staff's, treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General, or their respective staff, that the material constitutes or contains confidential commercial information or trade secret information and shall not be deemed to be either a waiver of the right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as confidential commercial information or trade secret if it has a good faith basis for the claim. The Company will upon request of the Attorney General, their respective staff, provide a written explanation of the details, including statutory authority, that support its confidential commercial information or trade secret claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others, provided that proprietary customer information provided by the Company to its customers or their marketers may be designated as CONFIDENTIAL INFORMATION; or

(b) are not maintained by the Company as confidential commercial information or trade secrets or are not maintained by the Company as proprietary customer information.

29. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials, to the extent that the Attorney General or his staff does so in a manner that complies with the provisions of this Order.

30. The terms of the foregoing paragraphs 22 through 28 do not apply to PROTECTED SECURITY MATERIALS as set forth in paragraphs 19-21 of this Order. PROTECTED SECURITY MATERIALS shall be treated in accordance with paragraphs 19-21.

31. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order, including paragraph 9, and the applicable Rules of Evidence. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding.

32. Nothing in this Order is intended to restrict or alter federal or state laws, regulations or rules.

33. Any person who has signed a Nondisclosure Statement or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or Nondisclosure Statement even if no longer employed or engaged by the TRA or Intervenors.

PROTECTIVE ORDER

To expedite the flow of filings, exhibits and other materials, and to facilitate the prompt resolution of disputes as to the confidentiality of material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, the Tennessee Regulatory Authority ("TRA") hereby orders that:

1. For the purpose of this Protective Order ("Order"), proprietary or confidential information, hereinafter referred to as CONFIDENTIAL INFORMATION, shall mean documents, testimony, or information in whatever form which the producing party, in good faith, deems to contain trade secrets, confidential research, development or other sensitive information, and which has been specifically designated by the producing party. A producing party is defined as the party creating the CONFIDENTIAL INFORMATION as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be conspicuously and specifically labeled as "CONFIDENTIAL" on each page containing CONFIDENTIAL INFORMATION and on the cover page with the

accompanying page numbers listed either on the cover or on a subject index page. The documents must be produced in a way that will clearly identify to others that it contains CONFIDENTIAL INFORMATION. The document must be accompanied by proof of confidentiality, that is, an Affidavit showing the cause of protection under this Order. The Affidavit may be reviewed by the Hearing Officer, Administrative Law Judge or the TRA for compliance with this paragraph. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under paragraph 12 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include parties which are allowed by the TRA to intervene subsequent to the date of entry of this Order.

3. CONFIDENTIAL INFORMATION shall be disclosed only to the following persons:

- (a) counsel of record for the parties in this case and associates, secretaries, and paralegals actively engaged in assisting counsel of record in this and the designated related proceedings;
- (b) in-house counsel for the parties;
- (c) officers, directors, or employees of the parties, including employees of the Office of the Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;
- (d) TRA Directors and members of the staff of the TRA;

- (e) outside consultants and expert witnesses employed or retained by the parties or their counsel, who have access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the producing party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the producing party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the notice. Pre-hearing conferences may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

Under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of services in competition with the products, goods or services of the producing party.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any of the authorized persons, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient Director, staff member, employee or, officer, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in

the presence of and be notarized by a notary public. Counsel of record for each party shall provide the producing party a copy of each such Affidavit for retained experts expected to be called as a witness at the hearing of this matter and shall keep the Affidavits executed by all experts or consultants retained by that party, whether or not expected to be called as a witness, on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to label documents as "CONFIDENTIAL" in accordance with the provisions of this Order when producing such documents, such failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to label the document as "CONFIDENTIAL." At that time, the recipients will immediately treat the subject document as CONFIDENTIAL INFORMATION. In no event shall the TRA be liable for any claims or damages resulting from the disclosure of a document while not so labeled as "CONFIDENTIAL." An inadvertent failure to label a document as "CONFIDENTIAL" shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL INFORMATION status.

6. If any party or non-party subject to this Order inadvertently fails to label documents as "CONFIDENTIAL" in accordance with the provisions of this Order when producing such documents and such failure is not discovered in time to provide five (5) days notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-hearing Conference called for the purpose or at the Hearing on the merits may request designation of such documents as

CONFIDENTIAL INFORMATION, and if the motion is granted by the Hearing Officer, Administrative Law Judge, or the TRA, the recipients shall immediately treat the subject documents as CONFIDENTIAL INFORMATION. The TRA, Hearing Officer, or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-hearing Conference or Hearing on the merits of the case, allow information to be labeled "CONFIDENTIAL" and treated as such in accordance with the terms of this Order.

7. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed with the TRA in sealed envelopes labeled "CONFIDENTIAL." Each sealed envelope shall be labeled to reflect the style and docket number of this proceeding and to identify the subject matter of the content of the sealed envelope. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order by the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the staff of the TRA may review any paper filed as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL" without obtaining an order of the TRA, Hearing Officer, or Administrative Law Judge, provided the Directors and staff maintain the confidentiality of the paper in accordance with the terms of this Order.

8. Documents, information and testimony designated as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL," in accordance with this Order, may be disclosed in testimony at the Hearing on the merits of this proceeding and offered into

evidence in any hearing related to this action, subject to the applicable Rules of Evidence and to such future orders as the TRA, Hearing Officer, or Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall inform the producing party and the TRA, Hearing Officer; or Administrative Law Judge, prior to the Hearing on the merits of the case, of the proposed use, and shall advise the TRA, the Hearing Officer, or Administrative Law Judge, and the producing party before use of such information during witness examinations so that appropriate measures can be taken by the TRA, Hearing Officer, or Administrative Law Judge to protect the confidential nature of the information

9. Except for documents filed with the TRA, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files labeled "CONFIDENTIAL" and labeled with reference to his Order at the offices of the requesting party's counsel of record.

10. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of such party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose such information.

11. Any party may contest the designation of any document or information as CONFIDENTIAL INFORMATION by filing a motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information, or testimony should not be so treated. All documents, information and testimony designated as CONFIDENTIAL INFORMATION, however, shall be maintained as such until the TRA, Hearing Officer, Administrative Law Judge, or a court orders otherwise. A motion to contest must be filed not later than ten (10) days prior to the Hearing on the merits. Any reply seeking to protect the status of their CONFIDENTIAL INFORMATION must be received not later than five (5) days prior to the Hearing on the merits. Motions made and subsequent replies received within the five (5) days prior to the Hearing on the merits shall be presented to the TRA at the Hearing on the merits for a ruling.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon the grounds of confidentiality.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL INFORMATION pursuant to the terms of this Order.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall be granted access until such person has complied with the requirements set forth in paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding and conclusion of any appeals resulting from such an order, all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof shall be returned to counsel of the party who produced the filings, exhibits and other materials within fifteen (15) days of a written request from the producing party, or counsel in possession of such documents shall certify to counsel of the producing party that all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof have been destroyed. Subject to the requirements of Paragraph 7 above, the TRA may retain copies of information designated as Confidential or Protected Security Materials as may be necessary to maintain the record of this cause intact.

17. After termination of this proceeding, the provisions of this Order relating to the secrecy and confidential nature of confidential documents, information and testimony shall continue to be binding, upon parties hereto and their officers, employers, employees, agents, and/or others for five (5) years unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL INFORMATION shall receive protection other than that provided herein.

19. In addition to the other provisions of this Order, Nashville Gas Company, a division of Piedmont Natural Gas Company, Inc., and its affiliates (the "Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and

information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenor in this docket. Authorized representatives shall be limited to the following: one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record and a single other person, employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

20. The Company shall provide access by an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

21. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form of information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other, than an authorized representative in accordance with this Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA staff and any other party shall treat all notes and memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding in accordance with this Order.

22. Upon written request from the Company within one (1) month from the conclusion of this proceeding or any judicial review proceedings involving security related expenditures, the TRA staff and any party will either return any PROTECTED SECURITY MATERIALS, any notes or memoranda related thereto or any copies thereof to the Company or certify to the Company in writing that all such notes,

memoranda or copies have been destroyed. Any electronic copies of PROTECTED SECURITY MATERIALS made by authorized representatives shall be eliminated.

23. The Attorney General has authority to enter into non-disclosure agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

24. The Attorney General agrees to keep confidential commercial information and/or trade secrets in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of the Attorney General and Reporter, or a person who has signed a Non-Disclosure Agreement.

25. The Attorney General may make copies of confidential commercial information or trade secrets or any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

26. The Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C), so that the Company may take action relating to disclosure.

27. The obligations of the Attorney General under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General is served with a subpoena, public records request, FOIA request, or other request that calls for the

production of confidential commercial information labeled as "CONFIDENTIAL" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request, as long as the Attorney General is able to respond to the request within a reasonable time. The Attorney General may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL" by the Company that is subject to such request.

28. The designation of any information, documents or things in accordance with this Order as constituting or containing confidential or proprietary information and the Attorney General's treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General that the material constitutes or contains confidential commercial information or trade secret information and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as confidential commercial information or trade secret if it has a good faith basis for the claim. The Company will upon request of the Attorney General provide a written explanation of the details that support its confidential commercial information or trade secret claim within five (5) days of a written request. The Company also specifically

agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others; or
- (b) are not maintained by the Company as confidential commercial information or trade secrets.

29. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing third parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials.

30. The terms of the foregoing paragraphs 23 through 29 do not apply to PROTECTED SECURITY MATERIALS as set forth in paragraphs 19 through 22 of this Order.

31. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order and the applicable Rules of Evidence. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED

SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding.

32. Nothing in this Agreement is intended to restrict or alter federal or state laws, regulations or rules.

33. Any person who has signed a non-disclosure certificate or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or certificate even if no longer engaged by the TRA or Intervenors.

34. Any party aggrieved with the TRA's decision in this matter may file a Petition for Reconsideration with the TRA within fifteen (15) days from and after the date of this Order.

35. Any party aggrieved with the TRA's decision in this matter has the right of judicial review by filing a Petition for Review in the Tennessee Court of Appeals, Middle Section, within sixty (60) days from and after the date of this Order.

PROTECTIVE ORDER

To expedite the flow of filings, exhibits and other materials, and to facilitate the prompt resolution of disputes regarding confidentiality of material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, the Tennessee Regulatory Authority ("TRA") hereby orders that:

1. For the purposes of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential research, development, financial statements or other commercially sensitive information, and which has been specifically designated by the producing party. A "Producing Party" is defined as the party creating the CONFIDENTIAL INFORMATION as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order, and shall be stored, protected, and maintained at the law offices of parties' counsel of record until such time that said material shall be returned, as provided for in Paragraph 16. Documents

containing CONFIDENTIAL INFORMATION shall be specifically marked as confidential on the cover. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 11 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include parties which are allowed by the TRA to intervene subsequent to the date of entry of this Protective Order.

3. CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding and shall be expressly limited and strictly disclosed to the following persons:

- (a) counsel of record for the parties and other legal counsel, including in-house counsel, for the parties in this case and associates, secretaries, paralegals, and witnesses or consultants actively engaged in assisting counsel of record in this and the designated related proceedings;
- (b) TRA Directors and members of the staff of the TRA.

Under no circumstances shall any CONFIDENTIAL INFORMATION or copies thereof, be disclosed to or discussed with anyone associated with the marketing of products, goods or services in competition with the products, goods or services of the producing party. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, or to any other person or entity that does not have a need to know for purposes of preparing for or participating in this proceeding. Whenever an individual, other than counsel, is designated to have access, then notice by sending a copy of the executed affidavit must be given to adversary counsel prior to the access being given to that individual and that individual, prior to seeing the material, must execute an affidavit

that the information will not be disclosed and will not be used other than in this proceeding.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee or associate counsel who shall be bound by the terms of this Order.

5. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL status.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Pre-Hearing Officer, Administrative Law Judge or the Authority, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority, the Pre-Hearing Officer

or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

7. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained with the Executive Secretary of the TRA in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA, Pre-Hearing Officer, or Administrative Law Judge after due notice to counsel of record.

Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA, Pre-Hearing Officer or Administrative Law Judge, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

8. Documents, information and testimony designated as CONFIDENTIAL, in accordance with this Order, may be disclosed in testimony at the Hearing of this proceeding and offered into evidence used in any hearing related to this action, subject to the Tennessee Rules of Evidence and to such future orders as the TRA, the Pre-Hearing Officer, or the Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL shall inform the producing party and the TRA, the Pre-Hearing Officer, or the Administrative Law Judge, prior to the Hearing on the merits of the case in the manner designated previously in this Order, of the proposed use; and shall advise the TRA, the

Pre-Hearing Officer, or the Administrative Law Judge, and the producing party before use of the information during witness examinations so that appropriate measures can be taken by the TRA, the Pre-Hearing Officer, or the Administrative Law Judge to protect the confidential nature of the information.

9. Except for documents filed with the Executive Secretary of the TRA, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record and returned to the producing party pursuant to paragraph 16 of this Order.

10. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party; or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

11. Any party may contest the designation of any document or information as CONFIDENTIAL by filing a Motion with the TRA, Pre-Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information or testimony should not be so treated. All documents, information and testimony designated as CONFIDENTIAL, however, shall be maintained as such until the TRA, the Pre-Hearing Officer, the Administrative Law Judge or a court orders otherwise. A motion to contest must be filed not later than ten (10) days prior to the Hearing on the merits. Any reply from the Company seeking

to protect the status of their CONFIDENTIAL INFORMATION must be received not later than five (5) days prior to the Hearing on the merits and shall be presented to the Authority at the Hearing on the merits for a ruling.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality. Nothing in this Order is intended to limit or expand the statutory authority of the Attorney General or the Consumer Advocate Division as expressed in *Tenn. Code Ann. § 10-7-504(a)* titled *Confidential Records*, and *Tenn. Code Ann. § 65-4-118* titled *Consumer Advocate Division*.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A non-party witness' designation of information as CONFIDENTIAL may be challenged under Paragraph 11 of this Order.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding or any appeals resulting from such an order, all the filings, exhibits and other materials and information designated CONFIDENTIAL and all copies thereof shall be returned to counsel for the party who produced (or originally created) the filings, exhibits and other materials, within fifteen (15) days. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL shall

certify to counsel for the producing party that all the filings, exhibits and other materials, plus all copies or extracts from the filings, exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the producing party.

17. After termination of this proceeding, the provisions of this Order relating to the secrecy and confidential nature of CONFIDENTIAL DOCUMENTS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others for five years unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

Docket No. 07-00224

AGREED PROTECTIVE ORDER

To expedite the flow of filings, discovery, exhibits and other materials, and to facilitate the prompt resolution of disputes regarding confidentiality of the material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, and the parties being in agreement as to the entry of this Protective Order, the Hearing Officer, as appointed by the Tennessee Regulatory Authority ("TRA"), hereby orders the following:

1. For the purpose of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential commercial information, confidential research, development, financial statements, confidential data of third parties, or other commercially sensitive information, and which has been specifically designated by the producing party. A "Producing Party" is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes,

extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically marked as confidential on the cover. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 11 of this Order.

2. Any individual or company subject to this Order, including Producing Parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include Chattanooga Gas Company ("CGC" or "Company") and the Office of the Attorney General ("Attorney General"). If other parties are permitted to intervene, they will be allowed access to CONFIDENTIAL INFORMATION only to the extent and under the conditions permitted by separate order if the Producing Party determines that a separate order is necessary.

3. CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding, and shall be expressly limited and disclosed only to the following persons:

- (a) Counsel of record for the parties and other legal counsel for the parties in this case and associates, secretaries and paralegals actively engaged in assisting counsel of record in this proceeding;
- (b) TRA Directors and members of the staff of the TRA;
- (c) officers, directors, or employees of the parties, including employees of the Office of Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;

- (d) Representatives of the parties who need to know because they are actively engaged in assisting counsel of record in preparing for this proceeding; and
- (e) Outside consultants and expert witnesses employed or retained by the parties or their counsel, who need access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the Producing Party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the Producing Party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the Motion. A Pre-hearing conference may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

Under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods or services that may be in competition with the products, goods or services of the Producing Party or the Producing Party's customers. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, except for in-house counsel and persons who need to know in order to assist counsel of record with preparation of the case.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, TRA Director, or TRA staff member, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee, associate counsel, TRA Director or staff member, who shall be bound by the terms of this Order. Prior to

disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the Producing Party a copy of each such Affidavit and shall keep the Affidavits executed by the parties' experts or consultants on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. In no event shall the TRA, or any other party to this Order, be liable for any claims or damages resulting from the disclosure of a document provided while not so labeled as "CONFIDENTIAL." An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL status.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Hearing Officer, Administrative Law Judge or the Authority, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority, the Hearing Officer or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the Merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

7. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained in the TRA Docket Room in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the Staff of

the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA, Hearing Officer or Administrative Law Judge, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

8. Documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS (as defined in Paragraph 19) in accordance with this Order, may be used in testimony at the Hearing of this proceeding and offered into evidence used in any hearing related to this action in a manner that protects the confidentiality of the information, subject to the Tennessee Rules of Evidence and to such future orders as the TRA, the Hearing Officer, or the Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall inform the Producing Party and the TRA, the Hearing Officer, or the Administrative Law Judge, prior to the Hearing on the Merits of the case, of the proposed use; and shall advise the TRA, the Hearing Officer, or the Administrative Law Judge, and the Producing Party before use of the information during witness examinations so that appropriate measures can be taken by the TRA, the Hearing Officer, or the Administrative Law Judge to protect the confidential nature of the information.

9. Except for documents filed in the TRA Docket Room, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record, kept in a secure place and returned to the Producing Party pursuant to Paragraph 16 of this Order.

10. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

11. Any party may contest the designation of any document or information as CONFIDENTIAL or PROTECTED SECURITY MATERIALS by filing a Motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information or testimony should not be so treated. All documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS, however, shall be maintained as such until the TRA, the Hearing Officer, the Administrative Law Judge or a court orders otherwise. A Motion to contest must be filed not later than fifteen (15) days prior to the Hearing on the Merits. Any Reply from the Company seeking to protect the status of their CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS must be received not later than ten (10) days prior to the Hearing on the Merits and shall be presented to the Authority at the Hearing on the Merits for a ruling.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL, in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A non-party witness' designation of information as CONFIDENTIAL may be challenged under Paragraph 11 of this Order.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in Paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding or any appeals resulting from such an order, all the filings, exhibits and other materials and information designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS and all copies thereof shall be returned to counsel for the party who produced (or originally created) the filings, exhibits and other materials, within fifteen (15) days. Subject to the requirements of Paragraph 7 above, the TRA shall retain copies of information designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS as may be necessary to maintain the record of this case intact. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall certify to counsel for the Producing Party that all the filings, exhibits and other materials, plus all copies or extracts, notes or memorandums from the filings,

exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the Producing Party or destroyed and that any electronic copies of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS received or mentioned by the receiving party have been eliminated.

17. After termination of this proceeding, the provisions of this Order relating to the confidential nature of CONFIDENTIAL DOCUMENTS or PROTECTED SECURITY MATERIALS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

19. In addition to the other provisions of this Order, Chattanooga Gas Company ("the Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenors in this docket. Authorized representatives shall be limited to the following: in the event that TRA staff becomes a party, one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record and a single other person,

employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

20. The Company shall provide access to an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

21. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form or information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with the Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED

SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA Directors, TRA staff and any other party shall treat all notes memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative, and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding without disclosing protected information to the public in accordance with this Order.

22. The Attorney General and his staff have authority to enter into Nondisclosure Agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

23. The Attorney General and his staff agree to keep confidential commercial information and/or trade secrets in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of Attorney General and Reporter, or a person who has signed a Nondisclosure Agreement.

24. The Attorney General and his staff may make copies of confidential commercial information or trade secrets or any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

25. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

26. The obligations of the Attorney General and his staff under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General or member of his staff is served with a subpoena, public records request, FOIA request, or other request that calls for the production of confidential commercial information labeled as "CONFIDENTIAL" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of the court as long as the Attorney General or his staff is able to respond to the request within a reasonable time. Following the five (5) day notice period, the Attorney General or his staff may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL" by the Company that is subject to such request.

27. The designation of any information, documents or things in accordance with this Order as constituting or containing confidential or proprietary information and the Attorney General's or his staff's treatment of such material as confidential or

proprietary in compliance with this Order is not an admission or agreement by the Attorney General or his staff that the material constitutes or contains confidential commercial information or trade secret information and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as confidential commercial information or trade secret if it has a good faith basis for the claim. The Company will upon request of the Attorney General or his staff provide a written explanation of the details, including statutory authority, that support its confidential commercial information or trade secret claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others, provided that proprietary customer information provided by the Company to its customers or their marketers may be designated as CONFIDENTIAL INFORMATION; or
- (b) are not maintained by the Company as confidential commercial information or trade secrets or are not maintained by the Company as proprietary customer information.

28. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third

parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials, to the extent that the Attorney General or his staff does so in a manner that complies with the provisions of this Order.

29. The terms of the foregoing paragraphs 22 through 28 do not apply to PROTECTED SECURITY MATERIALS as set forth in paragraphs 19-21 of this Order. PROTECTED SECURITY MATERIALS shall be treated in accordance with paragraphs 19-21.

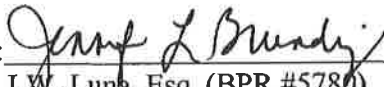

30. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order and the applicable Rules of Evidence. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding.

31. Nothing in this Order is intended to restrict or alter federal or state laws, regulations or rules.

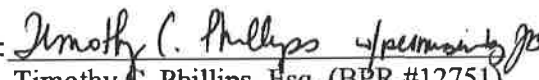

32. Any person who has signed a Nondisclosure Statement or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or Nondisclosure Statement even if no longer engaged by the TRA or Intervenors.

PROTECTIVE ORDER

To expedite the flow of filings, exhibits and other materials, and to facilitate the prompt resolution of disputes as to the confidentiality of material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, the Tennessee Regulatory Authority ("TRA" or "Authority") hereby orders that:

1. For the purpose of this Protective Order ("Order"), proprietary or confidential information, hereinafter referred to as CONFIDENTIAL INFORMATION, shall mean documents, testimony, or information in whatever form which the producing party, in good faith, and based on reasonable inquiry, deems to contain trade secrets, confidential research, development or other sensitive information protected by state or federal law, regulation or rule, and which has been specifically designated by the producing party. A producing party is defined as the party creating the CONFIDENTIAL INFORMATION as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be conspicuously and specifically labeled as "CONFIDENTIAL" on each page containing CONFIDENTIAL

INFORMATION and on the cover page. The documents must be produced in a way that will clearly identify to others that it contains CONFIDENTIAL INFORMATION. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under paragraph 10 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or non-parties subject to this Order shall include Atmos Energy Corporation (“Atmos”), the Office of the Attorney General (“Attorney General”), Atmos Energy Marketing (“AEM”), Atmos Intervention Group (“AIG”),¹ and Stand Energy Corporation (“Stand”). If other parties are permitted to intervene, they will be allowed access to Confidential Information only to the extent and under the conditions permitted by separate order.

3. Subject to the exceptions noted below in this Paragraph 3, CONFIDENTIAL INFORMATION shall be disclosed only to the following persons:

- (a) outside counsel of record for the parties in this case and associates, secretaries, and paralegals actively engaged in assisting outside counsel of record in this docket and any appeals therefrom;
- (b) in-house counsel for the parties;
- (c) officers, directors, or employees of the parties, including employees of the Office of the Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know; and provided further that such officers, directors, and/or employees shall be subject to the provisions of this Protective Order, and shall not disclose such information further except as otherwise permitted

¹ SouthStar Energy Services, LLC (“SouthStar”) has withdrawn its intervention in this case. As a result, SouthStar will not be participating in discovery and no confidential information produced in this case shall be disclosed to SouthStar or its counsel.

under the terms of this Protective Order;

- (d) TRA Directors and members of the staff of the TRA;
- (e) outside consultants and expert witnesses employed or retained by the parties or their counsel, who have access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the producing party of intention to disclose CONFIDENTIAL INFORMATION.² During such notice period, the producing party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the notice. Pre hearing conferences may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

The provisions of subparagraphs (b) and (c) above notwithstanding, CONFIDENTIAL INFORMATION shall not be provided to any of the members of AIG or any of their employees unless and until there has been compliance with the provisions of subparagraph (e) above and the provisions of paragraph 4 below applicable to consultants and expert witnesses, all of which shall be accomplished as to each individual person to whom it is proposed that CONFIDENTIAL INFORMATION be disclosed. Notwithstanding anything else to the contrary, under no circumstances shall

- (f) any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of services in competition with the products, goods or services of the producing party;

² The parties have agreed that upon the execution of an Affidavit substantially in the form of that attached to this Order and delivery of the same to all parties of record in this matter, Hal Novak shall not be subject to the five (5) days written notice period set forth in paragraph 3(e) of this Order, unless specifically requested by the producing party. In agreeing to the foregoing, no party is relinquishing or waiving its ability to prevent or limit disclosure to Mr. Novak for cause, pursuant to paragraph 3(e) of this Order.

- (g) any HIGHLY CONFIDENTIAL INFORMATION related to Atmos Energy Marketing, LLC (which shall be marked "HIGHLY CONFIDENTIAL" (Outside Counsel Only) or with similar wording) be disclosed to or discussed with Tennessee Energy Consultants, Earl Burton, or Stand, or any employee of any of them, including in-house counsel; or
- (h) any HIGHLY CONFIDENTIAL INFORMATION related to Stand Energy Corporation (which shall be marked "HIGHLY CONFIDENTIAL" (Outside Counsel Only) or with similar wording) be disclosed to or discussed with Tennessee Energy Consultants, Earl Burton, Atmos Energy Corporation or Atmos Energy Marketing, LLC, or any employee of any of them, including in-house counsel.
- (i) any CONFIDENTIAL INFORMATION submitted by Atmos Energy Marketing, LLC be disclosed to or discussed with operating employees³ of Atmos Energy Corporation, nor shall any CONFIDENTIAL INFORMATION submitted by Atmos Energy Corporation be disclosed to or discussed with operating employees of Atmos Energy Marketing, LLC.⁴

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any of the authorized persons, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient Director, staff member, employee or, officer, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that

³ As used herein, the term "operating employees" shall have the meaning set forth in Atmos Energy Corporation, T.R.A. No. 1, 2nd Revised Sheet No. 45.5, para. 11 (Issued April 5, 2007, Effective May 5, 2007), which provides as follows:

For purposes of these guidelines, operating employees are those who are in any way involved in identifying and contracting with customers, locating gas supplies, making any and all arrangements with intervening pipelines and in any way managing or facilitating those contracted services.

⁴ In the event that counsel for AEC or AEM learns that such confidential information has been disclosed to an operating employee, counsel shall notify all of the parties of such disclosure.

unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the producing party a copy of each such Affidavit for retained experts expected to be called as a witness at the hearing of this matter and shall keep the Affidavits executed by all experts or consultants retained by that party, whether or not expected to be called as a witness, on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to label documents as "CONFIDENTIAL" in accordance with the provisions of this Order when producing such documents, such failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to label the document as "CONFIDENTIAL." At that time, the recipients will immediately treat the subject document as CONFIDENTIAL INFORMATION. In no event shall the TRA, or any other party to this Order, be liable for any claims or damages resulting from the disclosure of a document while not so labeled as "CONFIDENTIAL." An inadvertent failure to label a document as "CONFIDENTIAL" shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL INFORMATION status.

6. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed with the TRA in sealed envelopes labeled "CONFIDENTIAL." The filing party shall also include with the filing a public version of the papers with any CONFIDENTIAL INFORMATION redacted. Only the redacted public version may be placed in the TRA's public file

and/or posted on the TRA website. Each sealed envelope shall be labeled to reflect the style and docket number of this proceeding and to identify the subject matter of the content of the sealed envelope. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order by the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the staff of the TRA may review any paper filed as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL" without obtaining an order of the TRA, Hearing Officer, or Administrative Law Judge, provided the Directors and staff maintain the confidentiality of the paper in accordance with the terms of this Order.

7. Documents, information and testimony designated as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL," in accordance with this Order, may be disclosed in testimony at the Hearing on the merits of this proceeding and offered into evidence in any hearing related to this action, subject to the applicable Rules of Evidence and to such future orders as the TRA, Hearing Officer, or Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall inform the producing party and the TRA, Hearing Officer, or Administrative Law Judge, prior to the Hearing on the merits of the case, of the proposed use, and shall advise the TRA, the Hearing Officer, or Administrative Law Judge, and the producing party before use of such information during witness examinations so that appropriate measures can be taken by the TRA, Hearing Officer, or Administrative Law Judge to protect the confidential nature of the information.

8. Except for documents filed with the TRA, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files labeled

“CONFIDENTIAL” and labeled with reference to this Order at the offices of the requesting party's counsel of record.

9. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of such party, or violation of this Order, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation or terms of this Order, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose such information.

10. Any party may contest the designation of any document or information as CONFIDENTIAL INFORMATION by filing a motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information, or testimony should not be so treated. Upon the filing of such a motion, the designating party shall bear the burden of supporting its designation of the documents or information at issue as CONFIDENTIAL INFORMATION. All documents, information and testimony designated as CONFIDENTIAL INFORMATION, however, shall be maintained as such until the TRA, Hearing Officer, Administrative Law Judge, or a court orders otherwise. A motion to contest must be filed not later than five (5) days after receipt of the material designated CONFIDENTIAL INFORMATION or ten (10) days prior to the Hearing on the merits, whichever date occurs later in time. Any reply seeking to protect the status of their CONFIDENTIAL INFORMATION must be received not later than five (5) days prior to the Hearing on the merits. Motions made and

subsequent replies received within the five (5) days prior to the Hearing on the merits shall be presented to the TRA at the Hearing on the merits for a ruling.

11. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL INFORMATION pursuant to the terms of this Order.

12. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall be granted access until such person has complied with the requirements set forth in paragraph 4 of this Order.

13. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

14. Upon an order becoming final in this proceeding and conclusion of any appeals resulting from such an order, all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof shall be returned to counsel of the party who produced the filings, exhibits and other materials within fifteen (15) days of a written request from the producing party, or counsel in possession of such documents shall certify to counsel of the producing party that all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof have been destroyed. Subject to the requirements of Paragraph 7 above, the TRA shall retain copies of information designated as Confidential or Protected Security Materials as may be necessary to maintain the record of this cause intact.

15. After termination of this proceeding, the provisions of this Order relating to the secrecy and confidential nature of confidential documents, information and testimony shall continue

to be binding, upon parties hereto and their officers, employers, employees, agents, and/or others for five (5) years unless this Order is vacated or modified.

16. Nothing herein shall prevent a party from seeking further protection for particular documents or prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL INFORMATION, HIGHLY CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall receive protection other than that provided herein.

17. In addition to the other provisions of this Order, Atmos Energy Corporation, and its affiliates (the "Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenor in this docket. Authorized representatives shall be limited to the following: one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record, the Tennessee Attorney General and the Chief Deputy of the Office of the Tennessee Attorney General and a single other person, employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

18. The Company shall provide access by an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under

supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; and (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

19. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form of information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with this Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA staff and any other party shall treat all notes and memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or

conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding in accordance with this Order.

20. Upon written request from the Company within one (1) month from the conclusion of this proceeding or any judicial review proceedings involving security related expenditures, the TRA staff and any party will either return any PROTECTED SECURITY MATERIALS, any notes or memoranda related thereto and any copies thereof to the Company or certify to the Company in writing that all such notes, memoranda and copies have been destroyed. Any electronic copies of PROTECTED SECURITY MATERIALS made by authorized representatives shall be eliminated.

21. The Attorney General and his staff have authority to enter into non-disclosure agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

22. The Attorney General and his staff agree to keep CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of the Attorney General and Reporter, or a person who has signed a Non-disclosure Agreement.

23. The Attorney General and his staff may make copies of CONFIDENTIAL INFORMATION and any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

24. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and

Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

25. The obligations of the Attorney General and his staff under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General or member of his staff is served with a subpoena, public records request, FOIA request, or other request that calls for the production of confidential commercial information labeled as "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of a court, as long as the Attorney General or his staff is able to respond to the request within a reasonable time. The Attorney General or his staff may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" by the Company that is subject to such request.

26. The designation of any information, documents or things in accordance with this Order as constituting "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" and the Attorney General's or his staff's treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General or his staff that the material constitutes or contains confidential commercial information or trade

secret information and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS if it has a good faith basis for the claim. The Company will upon request of the Attorney General or his staff provide a written explanation of the details, including statutory authority that support its CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others; or
- (b) are not maintained by the Company as CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS.

27. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third parties of the fact of an investigation, as needed, to conduct the investigation.

Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney

General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials.

28. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order, including Paragraph 7, and the applicable Rules of Evidence and any order the TRA may enter to protect the confidentiality of information offered at any hearing or other proceeding. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding. If any Party identifies information in the CONFIDENTIAL INFORMATION the indicates that illegal conduct (civil or criminal) has occurred or may occur, nothing in this Order shall prevent such party from reporting such alleged conduct to the appropriate law enforcement or regulatory agency.

29. Nothing in this Agreement is intended to restrict or alter federal or state laws, regulations or rules.

30. Any person who has signed a non-disclosure certificate or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or certificate even if no longer engaged by the TRA or Intervenors.

31. Any party aggrieved with the TRA's decision in this matter may file a Petition for Reconsideration with the TRA within fifteen (15) days from and after the date of this Order.

32. Any party aggrieved with the TRA's decision in this matter has the right of judicial review by filing a Petition for Review in the Tennessee Court of Appeals, Middle Section, within sixty (60) days from and after the date of this Order.

Docket No. 08-00012

AGREED PROTECTIVE ORDER

To expedite the flow of filings, discovery, exhibits and other materials, and to facilitate the prompt resolution of disputes regarding confidentiality of the material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, and the parties being in agreement as to the entry of this Protective Order, the Hearing Officer, as appointed by the Tennessee Regulatory Authority ("TRA"), hereby orders the following:

1. For the purpose of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential commercial information, confidential research, development, financial statements, confidential data of third parties, or other commercially sensitive information, and which has been specifically designated by the producing party. A "Producing Party" is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes,

extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically marked as confidential on the cover. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 11 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include parties who are allowed by the TRA to intervene subsequent to the date of entry of this Protective Order.

3. CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding, and shall be expressly limited and disclosed only to the following persons:

- (a) Counsel of record for the parties and other legal counsel for the parties in this case and associates, secretaries and paralegals actively engaged in assisting counsel of record in this proceeding;
- (b) TRA Directors and members of the staff of the TRA;
- (c) officers, directors, or employees of the parties, including employees of the Office of Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;
- (d) Representatives of the parties who need to know because they are actively engaged in assisting counsel of record in preparing for this proceeding; and
- (e) Outside consultants and expert witnesses employed or retained by the parties of their counsel, who need access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony,

preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the Producing Party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the Producing Party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the Motion. A Pre-hearing conference may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

Under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods or services that may be in competition with the products, goods or services of the Producing Party. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, except for in-house counsel and persons who need to know in order to assist counsel of record with preparation of the case.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, TRA Director, or TRA staff member, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee, associate counsel, TRA Director or staff member, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that

attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the Producing Party a copy of each such Affidavit and shall keep the Affidavits executed by the parties' experts or consultants on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. In no event shall the TRA, or any other party to this Order, be liable for any claims or damages resulting from the disclosure of a document provided while not so labeled as "CONFIDENTIAL." An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL status.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the

documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Hearing Officer, Administrative Law Judge or the Authority, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority, the Hearing Officer or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the Merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

7. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained in the TRA Docket Room in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA, Hearing Officer or Administrative Law Judge, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

8. Documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS (as defined in Paragraph 19) in accordance with this Order, may be used in testimony at the Hearing of this proceeding and offered into evidence used in any hearing related to this action in a manner that protects the confidentiality of the information, subject to the Tennessee Rules of Evidence and to such future orders as the TRA, the Hearing Officer, or the Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall inform the Producing Party and the TRA, the Hearing Officer, or the Administrative Law Judge, prior to the Hearing on the Merits of the case, of the proposed use; and shall advise the TRA, the Hearing Officer, or the Administrative Law Judge, and the Producing Party before use of the information during witness examinations so that appropriate measures can be taken by the TRA, the Hearing Officer, or the Administrative Law Judge to protect the confidential nature of the information.

9. Except for documents filed in the TRA Docket Room, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record, kept in a secure place and returned to the Producing Party pursuant to Paragraph 16 of this Order.

10. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any

contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

11. Any party may contest the designation of any document or information as CONFIDENTIAL or PROTECTED SECURITY MATERIALS by filing a Motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information or testimony should not be so treated. All documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS, however, shall be maintained as such until the TRA, the Hearing Officer, the Administrative Law Judge or a court orders otherwise. A Motion to contest must be filed not later than fifteen (15) days prior to the Hearing on the Merits. Any Reply from the Company seeking to protect the status of their CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS must be received not later than ten (10) days prior to the Hearing on the Merits and shall be presented to the Authority at the Hearing on the Merits for a ruling.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL, in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A non-party

witness' designation of information as CONFIDENTIAL may be challenged under Paragraph 11 of this Order.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in Paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding or any appeals resulting from such an order, all the filings, exhibits and other materials and information designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS and all copies thereof shall be returned to counsel for the party who produced (or originally created) the filings, exhibits and other materials, within fifteen (15) days. Subject to the requirements of Paragraph 7 above, the TRA shall retain copies of information designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS as may be necessary to maintain the record of this case intact. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall certify to counsel for the Producing Party that all the filings, exhibits and other materials, plus all copies or extracts, notes or memorandums from the filings, exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the Producing Party or destroyed and that any electronic copies of CONFIDENTIAL INFORMATION or

PROTECTED SECURITY MATERIALS received or mentioned by the receiving party have been eliminated.

17. After termination of this proceeding, the provisions of this Order relating to the confidential nature of CONFIDENTIAL DOCUMENTS or PROTECTED SECURITY MATERIALS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

19. In addition to the other provisions of this Order, Chattanooga Gas Company ("the Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenors in this docket. Authorized representatives shall be limited to the following: in the event that TRA staff becomes a party, one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record and a single other person, employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

20. The Company shall provide access to an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

21. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form or information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with the Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA Directors, TRA staff and any other party shall

treat all notes memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative, and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding without disclosing protected information to the public in accordance with this Order.

22. The Attorney General and his staff have authority to enter into Nondisclosure Agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

23. The Attorney General and his staff agree to keep confidential commercial information and/or trade secrets in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of Attorney General and Reporter, or a person who has signed a Nondisclosure Agreement.

24. The Attorney General and his staff may make copies of confidential commercial information or trade secrets or any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

25. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the

Attorney General and Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

26. The obligations of the Attorney General and his staff under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General or member of his staff is served with a subpoena, public records request, FOIA request, or other request that calls for the production of confidential commercial information labeled as "CONFIDENTIAL" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of the court as long as the Attorney General or his staff is able to respond to the request within a reasonable time. Following the five (5) day notice period, the Attorney General or his staff may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL" by the Company that is subject to such request.

27. The designation of any information, documents or things in accordance with this Order as constituting or containing confidential or proprietary information and the Attorney General's or his staff's treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General or his staff that the material constitutes or contains confidential

commercial information or trade secret information and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as confidential commercial information or trade secret if it has a good faith basis for the claim. The Company will upon request of the Attorney General or his staff provide a written explanation of the details, including statutory authority, that support its confidential commercial information or trade secret claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others, provided that proprietary customer information provided by the Company to its customers or their marketers may be designated as CONFIDENTIAL INFORMATION; or
- (b) are not maintained by the Company as confidential commercial information or trade secrets or are not maintained by the Company as proprietary customer information.

28. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney

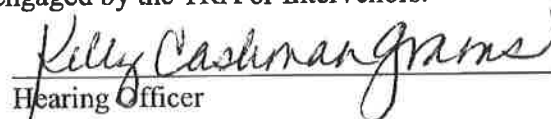

General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials, to the extent that the Attorney General or his staff does so in a manner that complies with the provisions of this Order.

29. The terms of the foregoing paragraphs 22 through 28 do not apply to PROTECTED SECURITY MATERIALS as set forth in paragraphs 19-21 of this Order. PROTECTED SECURITY MATERIALS shall be treated in accordance with paragraphs 19-21.

30. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order and the applicable Rules of Evidence. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding.

31. Nothing in this Order is intended to restrict or alter federal or state laws, regulations or rules.

32. Any person who has signed a Nondisclosure Statement or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or Nondisclosure Statement even if no longer engaged by the TRA or Intervenors.

To expedite the flow of filings, discovery, exhibits and other materials, and to

1. For the purpose of this Protective Order (the "Order"), proprietary or

confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION"

shall mean documents and information in whatever form which the producing party, in

good faith, deems to contain or constitute trade secrets, confidential commercial

information, confidential research or development information, confidential financial

statements, confidential data of third parties, or other commercially sensitive information,

and which has been specifically designated by the producing party. A “Producing Party”

is defined as the party creating the confidential information as well as the party having

actual physical possession of information produced pursuant to this Order. All

summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically marked as confidential on the cover. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 11 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or nonparties subject to this Order shall include parties who are allowed by the TRA to intervene subsequent to the date of entry of this Protective Order.

3. Unless specifically otherwise ordered by the TRA, CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding, and shall be expressly limited and disclosed only to the following persons:

- (a) Counsel of record for the parties and other legal counsel for the parties in this case and associates, secretaries and paralegals actively engaged in assisting counsel of record in this proceeding;
- (b) TRA Directors and members of the staff of the TRA;
- (c) Representatives or employees of the parties who need to know because they are actively engaged in assisting counsel of record in preparing for this proceeding or who need to know to assist in decision making purposes for the disposition of this proceeding;
- (d) Any employee of the Office of the Attorney General and Reporter for the State of Tennessee; and
- (e) Outside consultants and expert witnesses employed or retained by the parties or their counsel, who need access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket,

provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the Producing Party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the Producing Party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the Motion. A Pre-hearing conference may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

Under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods or services that may be in competition with the products, goods or services of the Producing Party or the Producing Party's customers. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, except for in-house counsel and persons who need to know in order to assist counsel of record with preparation of the case.

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, TRA Director, or TRA staff member, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee, associate counsel, TRA Director or staff member, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she

understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the Producing Party a copy of each such Affidavit and shall keep the Affidavits executed by the parties' experts or consultants on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. In no event shall the TRA, or any other Party to this Order, be liable for any claims or damages resulting from the disclosure of a document provided while not so labeled as "CONFIDENTIAL". An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL status.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of

confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Hearing Officer, Administrative Law Judge or the Authority, the recipients shall immediately treat the subject documents as CONFIDENTIAL. The Tennessee Regulatory Authority, the Hearing Officer or Administrative Law Judge may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the Merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

7. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained in the TRA Docket Room in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the Staff of the TRA may review any paper filed as CONFIDENTIAL without obtaining an order of the TRA, Hearing Officer or Administrative Law Judge, provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

8. Documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS (as defined in Paragraph 19) in accordance

with this Order, may be used in testimony at the Hearing of this proceeding and offered into evidence used in any hearing related to this action in a manner that protects the confidentiality of the information, subject to the Tennessee Rules of Evidence and to such future orders as the TRA, the Hearing Officer, or the Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall inform the Producing Party and the TRA, the Hearing Officer, or the Administrative Law Judge, prior to the Hearing on the Merits of the case, of the proposed use; and shall advise the TRA, the Hearing Officer, or the Administrative Law Judge, and the Producing Party before use of the information during witness examinations so that appropriate measures can be taken by the TRA, the Hearing Officer, or the Administrative Law Judge to protect the confidential nature of the information.

9. Except for documents filed in the TRA Docket Room, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record, kept in a secure place and returned to the Producing Party pursuant to Paragraph 16 of this Order.

10. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the

existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

11. Any party may contest the designation of any document or information as CONFIDENTIAL or PROTECTED SECURITY MATERIALS by filing a motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information or testimony should not be so treated. Prior to filing the motion, the party contesting the designation will offer to meet and confer with the Producing Party in a good faith effort to discuss both parties' positions and attempt to resolve the dispute. The Producing Party will respond within seven (7) days of the filing of the motion unless otherwise provided by the TRA, Hearing Officer, Administrative Law Judge, or the courts, and will set forth the basis and justification for the CONFIDENTIAL designation pursuant to this Order. The Producing Party shall have the burden of establishing the need for designating the challenged documents, information, or testimony as either CONFIDENTIAL or PROTECTED SECURITY MATERIALS. All documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS, however, shall be maintained as such until the TRA, the Hearing Officer, the Administrative Law Judge or a court orders otherwise. A motion to contest must be filed in accordance with the procedural schedule, or if one does not exist, not later than five (5) days after receipt of the materials designated CONFIDENTIAL INFORMATION or fifteen (15) days prior to the Hearing on the merits whichever date occurs later. Any timely motions made and subsequent replies received within the five (5) days prior to the Hearing on the merits should be presented to the TRA at the Hearing on the merits unless otherwise ordered by the TRA or the Hearing Officer.

12. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality.

13. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL, in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A non-party witness' designation of information as CONFIDENTIAL may be challenged under Paragraph 11 of this Order.

14. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in Paragraph 4 of this Order.

15. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

16. Upon an order becoming final in this proceeding or any appeals resulting from such an order, all the filings, exhibits and other materials and information designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS and all copies thereof shall be returned to counsel for the party who produced (or originally created) the filings, exhibits and other materials, within fifteen (15) days. The Consumer Advocate, if it determines that it has good cause to retain any CONFIDENTIAL INFORMATION, may file a motion with the TRA requesting permission to retain the CONFIDENTIAL INFORMATION. The Consumer Advocate will give the Producing Party prior notice of its intention to seek said permission from the TRA and will provide copies of any such

motion to the Producing Party so that the Producing Party may have the opportunity to oppose the Consumer Advocate's motion. Should the TRA grant the Consumer Advocate permission to retain copies of CONFIDENTIAL INFORMATION, the Consumer Advocate must continue to comply with, and to maintain the CONFIDENTIAL INFORMATION in accordance with, the terms and conditions of this Protective Order. Subject to the requirements of Paragraph 7 above, the TRA may retain copies of information designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS as may be necessary to maintain the record of this case intact. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall certify to counsel for the Producing Party that all the filings, exhibits and other materials, plus all copies or extracts, notes or memorandums from the filings, exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the Producing Party or destroyed and that any electronic copies of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS received or mentioned by the receiving party have been eliminated.

17. After termination of this proceeding, the provisions of this Order relating to the confidential nature of CONFIDENTIAL DOCUMENTS or PROTECTED SECURITY MATERIALS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others unless this Order is vacated or modified.

18. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

19. In addition to the other provisions of this Order, Chattanooga Gas Company ("the Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenors in this docket. Authorized representatives shall be limited to the following: in the event that TRA staff becomes a party, one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record and a single other person, employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

20. The Company shall provide access to an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda

from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

21. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form or information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with the Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA Directors, TRA staff and any other party shall treat all notes memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative, and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this

proceeding without disclosing protected information to the public in accordance with this Order.

22. The Attorney General and his staff have authority to enter into Nondisclosure Agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

23. The Attorney General and his staff agree to keep CONFIDENTIAL INFORMATION in a secure place and will not permit them to be seen by any person who is not an employee of the Office of Attorney General and Reporter for the State of Tennessee, or a person who has not signed a Nondisclosure Agreement.

24. The Attorney General and his staff may make copies of CONFIDENTIAL INFORMATION or any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting CONFIDENTIAL INFORMATION shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

25. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

26. The obligations of the Attorney General and his staff under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General or member of his staff is served with a subpoena, public records request, FOIA request, or other request that

calls for the production of confidential commercial information labeled as "CONFIDENTIAL" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of the court as long as the Attorney General or his staff is able to respond to the request within a reasonable time. Following the five (5) day notice period, the Attorney General or his staff may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL" by the Company that is subject to such request.

27. The designation of any information, documents or things in accordance with this Order as constituting or containing CONFIDENTIAL INFORMATION and the Attorney General's or his staff's treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General or his staff that the material constitutes or contains CONFIDENTIAL INFORMATION and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as CONFIDENTIAL INFORMATION if it has a good faith basis for the claim. The Company will upon request of the Attorney General or his staff provide a written explanation of the details that support its CONFIDENTIAL INFORMATION claim within five (5) business days of a written request. The Company also specifically agrees that it will not designate any

documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public or consumers, provided that proprietary customer information provided by the Company to its customers or their marketers may be designated as CONFIDENTIAL INFORMATION; or
- (b) are not maintained by the Company as confidential commercial information or trade secrets or are not maintained by the Company as proprietary customer information.

28. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials, to the extent that the Attorney General or his staff does so in a manner that complies with the provisions of this Order.

29. The terms of the foregoing paragraphs 22 through 28 do not apply to PROTECTED SECURITY MATERIALS as set forth in paragraphs 19-21 of this Order.

PROTECTED SECURITY MATERIALS shall be treated in accordance with paragraphs 19-21.

30. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order and the applicable Rules of Evidence.
