PUBLIC NOTICE NOTICE IS HEREBY GIVEN THAT ATMOS ENERGY

Corporation (the Company) filed a Petition with the Tennessee Regulatory Authority (TRA) on October 1, 2013 in Docket 13-00129, seeking approval pursuant to Tenn. Code Ann. 65-4-107 of a new franchise agreement with the City of Franklin. This franchise agreement grants the Company the non-exclusive rights, authority, privilege and franchise to erect, construct, operate and maintain a natural gas system in, upon, under, along, across and over the highways, streets, avenues, roads, alleys, lanes, ways, public utility easements, parkways and other public grounds in the City, for the transmission, distribution, and/or sale of gas and its by-products within said City and to the inhabitants, institutions and businesses thereof, and for such purposes to construct, maintain, operate, renew, replace, repair, and extend its system as may be necessary. The rates proposed are the same as the currently approved rates. A complete copy of the Company's filing is on file with the TRA and are open for public inspection. The franchise and the rights granted shall take effect upon approval of the Tennessee Regulatory Authority and shall continue in force for five (5) years. During each year of the term hereof, the Company shall collect from its customers within the City of Franklin a franchise fee in an amount per Ccf of sales volumes and transport volumes as follows:

Sales Volume	Transport Volumes
Per Ccf Rate	Per Ccf Rate
\$0.060	\$0.0075

Said franchise fee shall be paid quarterly to the City of Franklin with each payment due and payable within thirty (30) days from the end of the quarter for which payment is due, so long as the Company shall supply and sell natural gas to the public within said City, or so long as this franchise is in effect. The matter has been set for hearing on October 21, 2013 beginning at 1:00 p.m. CST in the TRA's hearing room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee.
