ORDER DENYING TAWC'S MOTION TO CLARIFY THE HEARING OFFICER'S ORDER MODIFYING PROCEDURAL SCHEDULE

This matter is before the Hearing Officer of the Tennessee Regulatory Authority ("TRA" or "Authority") upon a *Motion Requesting Clarification of Order Modifying Procedural Schedule* filed in the docket file by Tennessee-American Water Company ("TAWC") on January 24, 2014. In its motion, TAWC requests that the *Order Modifying Procedural Schedule* ("Order"), issued by the Hearing Officer on January 15, 2014, be amended to include additional description of the exchange between the presiding panel and the parties that occurred during the hearing on January 13, 2014, and to revise or alter certain language used to describe TAWC's position in response to the concerns articulated by the panel.

TAWC states that the purpose of its motion is merely to clarify the record as to TAWC's position on the Authority's application of Tenn. Code Ann. § 65-5-103(d), which, the Hearing Officer finds is ancillary to the *Order's* procedural purposes of taking notice that the filing of the *Stipulation* modifies the start date of the 120-day statutory deadline and establishing filing

deadlines to move the matter forward to completion. Upon review and due consideration of the motion, the Hearing Officer notes TAWC's objection to the Order, as issued, and further finds that the motion is sufficient to supplement the record concerning TAWC's position. Therefore, the Hearing Officer concludes that further clarification of the record is unnecessary and respectfully declines TAWC's motion to amend the *Order Modifying Procedural Schedule*.

IT IS THEREFORE ORDERED THAT:

The Motion Requesting Clarification of Order Modifying Procedural Schedule is denied.

Kelly Cashman Grams, Hearing Officer
