Mr. John Powell
King's Chapel Capacity

Dear Mr. Powell:

Party Staff has reviewed King's Chapel Capacity's November 8, 2013, response to Party Staff's data request. You were given five days in which to respond with the requested documents and other materials. To date you have failed to provide any documentation or otherwise answer any of the questions.

Your request asserts that a procedural schedule and protective order are necessary. At this time this is not a contested case and the appointment of a hearing officer and a procedural schedule are unnecessary. It is unclear at this time what if any of the requested materials would require a protective order. If confidential documents do exist in this case please contact me and we can discuss the necessary steps to ensure that there is no release of confidential information.

At this we require the information requested on November 8, 2013, to be provided immediately. If you do not have all of the information at this time please provide what you do have as well as a schedule for when you will provide the remaining information.

If you have questions or need further assistance, please call me at 615-741-2904, ext. 132 or email me at shiva.bozarth@tn.gov. Please respond by sending the original and 13 copies either by U.S. Mail or express mail. Alternatively, you may send the original and four (4) copies along with an electronic file to:
