**Re: Petition of Kings Chapel Capacity for Exemption from Financial Security as
Required by the TRA's Wastewater Regulations -- Request to Continue Exemption
Docket 13-00141**

Dear Chairman Allison:

I just learned that the TRA has placed this matter on its Final Conference Agenda for December 18, 2013. While I am pleased that this matter is moving forward, I will unfortunately be out of the country and unable to attend on this date. As such, I would like to request a deferral on this matter until the next TRA Conference.

Thank you for your consideration of this request. Please contact me if you have any questions.

Sincerely,

John Powell
