re: Docket No 14-00006 Monthly Report

Mr. Foster,

Please find enclosed the following information as an update to docket as requested:

1. Letter from TDEC of inspection and approval of the Treatment and Drip System dated July 17, 2015
2. Letter from Roy Denney dated July 20, 2015 indicating the system was built in accordance with the approved design plans.
3. Letter from Charles Hyatt to Williamson County Planning Commission indicating TWSI has accepted the system and is 100% complete.

Sincerely,

Charles Hyatt  
President

Subject: County: Williamson  
Wastewater Project Number: 14-0225 SOP-14010  
Project: Clovercroft Wells

Dear Mr. Townsend:

On 7/17/2015 I inspected the construction work for the above referenced facility to verify compliance with the approved plans and specifications. Initial observations indicate that the system has been installed in accordance with the approved plans and specifications submitted to the Department. A copy of the stamped plans were kept at the construction site.

Approval is granted in accordance with the Water Quality Control (WQC) Act of 1977 and Regulations of the Water Quality Control Board.

The Nashville Central Office Office should be contacted prior to the start up of operation of this system to allow staff to be present.

Please reference the assigned wastewater project number SOP-14010 on any future correspondence and contact me at (615) 532-5819 or by E-mail at [Allen.Rather@tn.gov](mailto:Allen.Rather@tn.gov) prior to start up.

Sincerely,

Allen Rather  
Land-Based Systems Unit
