RE: Petition of Kentucky Utilities Company for an Order Authorizing the Issuance of Securities and the Assumption of Liabilities, Docket No. 14-00033; First Response to Data Request

Dear Mr. Kettles:

This letter is in response to your letter dated April 10, 2014 seeking the status of and periodic updates on the similar filings of Kentucky Utilities Company ("KU") pending before the Kentucky Public Service Commission ("KPSC") and the Virginia State Corporation Commission ("VSCC").

On March 20, 2014, KU filed an Application with the KPSC (Case No. 2014-00082) requesting an order authorizing the issuance of securities and the assumption of liabilities that are the subject of the above referenced TRA docket. The KPSC Application is pending and no substantive action has been taken.

On April 15, 2014, KU filed an Application with the VSCC (Matter/Case No. PUE-2014-00031) requesting an order authorizing the issuance of securities and the assumption of liabilities that are also the subject of the above referenced TRA docket. The VSCC Application is pending and no substantive action has been taken. Unless time is extended by the VSCC, a decision will be due by May 12th.

We will continue to provide you with periodic updates and file the orders with the TRA when they are issued by the KPSC and the VSCC. Please contact me if you have any questions or need additional information.

Sincerely,

*D. Billye Sanders*
