**IN RE: PETITION OF PLAINS AND EASTERN CLEAN LINE LLC FOR A CERTIFICATE OF
CONVENIENCE AND NECESSITY APPROVING A PLAN TO CONSTRUCT A TRANSMISSION
LINE AND TO OPERATE AS AN ELECTRIC TRANSMISSION PUBLIC UTILITY**

Dear Directors,

I am writing this letter in regards to the Plains and Eastern Clean Line possibly cutting through our farm. A farm at the foothills of the beautiful Ozark Mts. A farm inherited by us from our parents who worked very hard just to be able to give it to us.

I'm sure our story is the same as many others whose land and lives will be changed by this "unnecessary" project.

Please take into consideration our lives when you vote on this "unnecessary" project. Like Tennessee, Arkansas is a beautiful state and that's one of the reasons my parents moved here. Please don't let this transmission line happen. I appreciate every consideration against this transmission line.

Thank you - Terry Hill
