RE: Docket No. 14-00053, *Application of Campus Communications Group, Inc. for Certificate to Provide Competing Local Telecommunications Services in Tennessee*

Dear Ms. Dillon,

To assist the Tennessee Regulatory Authority (TRA) in its review of Campus Communications Group, Inc.'s (CCG) application for a Certificate of Convenience and Necessity ("Application") I submit, on behalf of CCG, the below information requested in a June 24, 2014 letter from Mr. David Foster, Utilities Division Chief:

1. Clarify whether Campus Communications Group, Inc. will offer telecommunications services to business customers only. Does Campus Communications Group, Inc. plan to offer service to residential customers at any time in the future?

CCG will only be offering telecommunications services to business customers. It does not anticipate providing these services to residential customers in the future.

2. Provide an informational access tariff.

Please see **Attachment 1**.

3. What positions/titles do the individuals whose resumes were provided in Exhibit E of the application hold with Campus Communications Group, Inc.?

David Mauck is a General Manager of Pavlov Media, Inc. (Pavlov Media), the parent company of CCG. He does not hold a position within CCG.

Mark Scifres is Secretary of CCG. Michael O'Linc should be listed as President. His biographical information is laid out in the following response.

MARASHLIAN & DONAHUE, LLC

TELEPHONE: (703) 714-1300 THE COMMLAW GROUP
FACSIMILE: (703) 714-1330 1420 SPRING HILL ROAD
EMAIL: MAIL@COMMLAWGROUP.COM SUITE 401
WEB: WWW.COMMLAWGROUP.COM MCLEAN, VIRGINIA 22102

4. Are there other officers or management personnel for Campus Communications Group, Inc. that were not included in the application?

William Clavey is Vice President Finance for both CCG and its parent company, Pavlov Media.

Bill Clavey: Bill is Vice President of Finance. Bill reports to Glenn Meyer, President of MDU Service. Bill has a strong background in technology as well as business. He has been involved in Pavlov Media's Special Projects group prior to taking over as the Vice President of Finance for both Pavlov Media and CCG. In addition, Bill has owned and operated a successful computer hardware, consulting and e-commerce business in the Champaign, Illinois area.

Michael O'Linc is President of CCG. Mark Scifres is not the President as was stated in the initial application under this docket. We would like to remedy this mistake.

Mike O'Linc: Mike is the President at Pavlov Media and CCG. Mike reports to Glenn Meyer, President of MDU Services at Pavlov Media. Mike came to Pavlov Media and CCG from Hyperband Networks where he was Chief Technology Officer. He has also served as a Consultant for IBM and worked on integration and design for several Fortune 500 companies. Mike worked in the information technology sector within the U.S. Air Force.

Additionally, at the request of Ms. Lisa Foust, I am submitting the original Power of Attorney from the Old Republic Surety Company with whom CCG has obtained a surety bond. This is being submitted here as **Attachment 2**.

In accordance with TRA rules I am submitting four copies and an electronic version of this filing. If you should have any questions regarding these responses or the original filed Application please contact me at (703) 714-1309 or vmp@commlawgroup.com

Respectfully submitted,

Vineetha Pillai
Associate Attorney

Counsel for Campus Communications Group, Inc.

1. APPLICATION AND REFERENCE

1.4 TARIFF FORMAT

1.4.1 LOCATION OF MATERIAL

- A. Section 1 provides the following for all of the sections in this Tariff:
Subject Index - an alphabetical listing to find the desired section.
Table of Contents - A numerical listing to find the desired section and page.
- B. Each individual section in the Tariff provides a Subject Index for the material located within that section.

1.4.2 PAGE NUMBERING

Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.

1.4.3 PARAGRAPH NUMBERING SEQUENCE

There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.

CAMPUS COMMUNICATIONS GROUP, INC.**1.5 EXPLANATION OF SYMBOLS**

SYMBOL	EXPLANATION
(C)	To signify changed term or condition
(D)	To signify discontinued material
(I)	To signify rate increase
(M)	To signify material moved from or to another part of the tariff with no change, unless there is another change symbol present
(N)	To signify new material
(R)	To signify rate reduction
(T)	To signify a change in text but no change in rate, term or condition

1.6 EXPLANATION OF ABBREVIATIONS

2.1 UNDERTAKING OF THE COMPANY

2.1.1 SCOPE

The Company undertakes to furnish Access Services in accordance with the terms and conditions set forth in this Tariff.

2.1.2 SHORTAGE OF FACILITIES

All service is subject to the availability of suitable facilities. The Company reserves the right to limit the length of communications or to discontinue furnishing services when necessary because of the lack of transmission medium capacity or because of any causes beyond its control.

2.1.3 TERMS AND CONDITIONS

A. Service is provided on the basis of a minimum period of at least three months, 24-hours per day. For the purpose of computing charges in this Tariff, a month is considered to have 30 days.

B. Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this Tariff. Customers will also be required to execute any other documents as may be reasonably requested by the Company.

C. In any action between the parties to enforce any provision of this Tariff, the prevailing party shall be entitled to recover its legal fees and court costs from the non-prevailing party in addition to other relief a court may award.

D. The Company shall comply with all rules and regulations issued by the Tennessee Regulatory Authority ("TRA") applicable to local exchange companies.

E. Assignment or Transfer.

All service provided under this Tariff is controlled by the Company and the customer may not transfer or assign the use of service without the express prior written consent of the Company. Such transfer or assignment only shall apply where there is no interruption of the use or location of service. All terms and conditions shall apply to all such permitted transferees or assignees, as well as all conditions of service.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

F. Use of Service.

The services the Company offers shall not be used for any unlawful purpose or for any use for which the customer has not obtained all required governmental approvals, authorization, licenses, consents and permits. The Company may require applicants for service who intend to use the Company's offering for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offerings complies with relevant laws and regulations, policies, orders and decisions. The Company may require a customer to immediately shut down its transmission if such transmission is causing interference to others. A customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the express prior written consent of the Company. The Company will only permit a customer to transfer its existing service to another entity if the existing customer has paid all charges owed to the Company for regulated access services. All terms and conditions shall apply to all such permitted transferees or assignees, as well as all conditions of service.

Recording of telephone conversations of service provided by the Company is prohibited except as authorized by applicable federal, state and local laws.

G. Ownership of Facilities

The customer obtains no property right or interest in the use of any specific type of facility, service, equipment, number, process, or code. All right, title and interest to such items remain, at all times, solely with the Company.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.1.4 PROVISION OF EQUIPMENT AND FACILITIES

A. Except as otherwise indicated, customer-provided equipment at the Customer's premises for use in conjunction with the Company's Access Services shall be so constructed, maintained and operated as to work satisfactorily with the facilities of the Company.

B. The Company shall not be responsible for the installation, operation or maintenance of any customer-provided communications equipment. Where such equipment is deployed in connection with Access Service furnished pursuant to this Tariff, the responsibility of the Company shall be limited to the furnishing of Access Service under this Tariff and to the maintenance and operation of such service in the proper manner. Subject to this responsibility, the Company shall not be responsible for:

1. The thorough transmission of signals generated by customer-provided equipment or for the quality of, or defects in, such transmission; or
2. The reception of signals by Customer-provided equipment; or
3. Network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

C. With regard to customer-provided equipment used in connection with Access Service furnished under this Tariff, the Company reserves the right to prohibit the Customer from using such equipment which is not registered by the Federal Communications Commission pursuant to Part 68 of Title 47, Code of Federal Regulations.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.2 OBLIGATIONS OF THE CUSTOMER

2.2.1 CUSTOMER PREMISE PROVISIONS

A. The Customer shall provide the personnel, power and space required to operate all facilities and associated equipment installed on the premises of the Customer.

B. The Customer shall be responsible for providing Company personnel access to premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Company.

2.2.2 LIABILITY OF THE CUSTOMER

A. The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invitees, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.

B. To the extent caused by any negligent or intentional act of the Customer as described in A., preceding, the Customer shall indemnify, defend and hold harmless the Company from and against all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees, for (1) any loss, destruction or damage to property of any third party, (2) the death of or injury to persons, including, but not limited to, employees or invitees of either party, and (3) any liability incurred by the Company to any third party pursuant to this or any other Tariff or tariff of the Company, or otherwise, for any interruption of, interference to, or other defect in any service provided by the Company to such third party.

C. The Customer shall not assert any claim against any other customer or user of the Company's services for damages resulting in whole or in part from or arising in connection with the furnishing of service under this Tariff including but not limited to mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations, whether or not such other customer or user contributed in any way to the occurrence of the damages, unless such damages were caused solely by the negligent or intentional act or omission of the other customer or user and not by any act or omission of the Company. Nothing in this Tariff is intended either to limit or to expand customer's right to assert any claims against third parties for damages of any nature other than those described in the preceding sentence.

CAMPUS COMMUNICATIONS GROUP, INC.

2.2.3 JURISDICTIONAL REPORTS

A. For Switched Access services, the Company will use the percentage of interstate originating Feature Group D usage to determine the Percent of Interstate Usage (PIU) to apply to all other switched access services provided by the Company to the Customer.

For Switched Access Services for which the Company cannot determine the jurisdictional nature of Customer traffic and its related access minutes, the Company reserves the right to require the Customer to provide a projected estimate of its traffic, split between the interstate and intrastate jurisdictions. The Customer shall upon ordering service, and annually thereafter, report the PIU and such report will be used for billing purposes until the Customer reports a different projected interstate percentage for a working trunk group. When the Customer adds trunks to or removes trunks from an existing group, the Customer shall furnish a revised projected PIU that applies to the total trunk group. The revised report will serve as the basis for future billing and will be effective on the next bill date.

No pro-rating or back-billing will be done based on the report. The Company may require call detail records to substantiate any projected PIU provided to the Company. In the event that the required jurisdictional report is not provided, the Company recorded or estimated PIU will be applied to the bill.

The Company may request this detailed information annually. If the audit results represent a substantial deviation from the Customer's previously reported PIU for the period upon which the audit was based, the call detail records may be requested more than once annually.

B. Mixed Interstate and Intrastate Access Service

When mixed interstate and intrastate Access Service is provided, all charges, including nonrecurring charges, usage charges, and optional features, will be prorated between interstate and intrastate. The percentage provided in the reports as set forth in Section 2.2.3(A) will serve as the basis for prorating the charges.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

C. In the sole discretion of the Company, all or any portion of the jurisdictional reporting requirements set out above may be waived.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.2.4 CHANGES IN SERVICE REQUESTED

If the Customer makes or requests material changes in circuit engineering, equipment specifications, service parameters, premises locations, or otherwise materially modifies any provision of the application for service, the Customer's installation fees shall be adjusted according to the terms and conditions set forth in 2.8, following.

2.2.5 NOTICE TO COMPANY FOR CANCELLATION OF SERVICE

Customers desiring to terminate service shall provide the Company 30 days written notice of their desire to terminate service.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.3 CUSTOMER EQUIPMENT AND CHANNELS

2.3.1 INTERCONNECTION OF FACILITIES

In order to protect the Company's facilities and personnel and the services furnished to other Customers by the Company from potentially harmful effects, the signals applied to the Company's service shall be such as not to cause damage to the facilities of the Company. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.

A. The Company may, upon notification to the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the Customer is complying with the Company's requirements for the installation, operation and maintenance of customer-provided equipment and for the wiring of the connection of customer equipment to Company-owned facilities.

B. If the protective requirements in connection with customer-provided equipment are not being complied with, the Company may take such action as necessary to protect its facilities and personnel and will promptly notify the Customer by registered mail in writing or by facsimile of the need for protective action. In the event that the Customer fails to advise the Company within 10 days after such notice is received or within the time specified in the notice that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities and personnel from harm. The Company will, upon request 24 hours in advance, provide customer with a statement of technical parameters that the Customer's equipment must meet.

2.4 ORDERING, RATING AND BILLING OF ACCESS SERVICES WHERE MORE THAN ONE EXCHANGE COMPANY IS INVOLVED.

The Company accepts and adheres to the Ordering and Billing Forum guidelines, Multiple Exchange Carrier Access Billing (MECAB) and Multiple Exchange Carrier Ordering and Design (MECOD).

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.5 ALLOWANCE FOR INTERRUPTIONS IN SERVICE

2.5.1 GENERAL

A. A credit allowance will be given when service is interrupted, except as specified in 2.5.2, following. A service is interrupted when it becomes inoperative to the Customer, e.g., the Customer is unable to transmit or receive, because of a failure of a component furnished by the Company under this Tariff.

B. An interruption period begins when the Customer reports a service, facility or circuit to be inoperative and, if necessary, releases it for testing and repair. An interruption period ends when the service, facility or circuit is operative.

C. If the Customer reports a service, facility or circuit to be interrupted but declines to release it for testing and repair, the service, facility or circuit is considered to be impaired but not interrupted. No credit allowances will be made for a service, facility or circuit considered by the Company to be impaired.

2.5.2 LIMITATIONS ON ALLOWANCES

No credit allowance will be made for any interruption in service:

A. Due to the negligence of or noncompliance with the provisions of this Tariff by any person or entity other than the Company, including but not limited to the Customer or other common carriers connected to the service of the Company;

B. Due to the failure of power, equipment, systems, connections or services not provided by the Company;

C. Due to circumstances or causes beyond the control of the Company;

D. During any period in which the Company is not given full and free access to its facilities and equipment for the purposes of investigating and correcting interruptions;

F. During any period in which the Customer continues to use the service on an impaired basis;

F. During any period when the Customer has released service to the Company for maintenance purposes or for implementation of a customer order for a change in service arrangements;

G. That occurs or continues due to the Customer's failure to authorize of replacement any element of special construction; and

H. That was not reported to the Company within of (30) days of the date that thirty service was affected.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.5.3 USE OF ANOTHER MEANS OF COMMUNICATIONS

If the Customer elects to use another means of communications during the period of interruption, the Customer must pay the charges for the alternative service used.

2.5.4 APPLICATIONS OF CREDIT FOR INTERRUPTIONS OF SERVICE

In case of an interruption to any service, allowance for the period of interruption, if not due to the negligence of the Customer, shall be as follows:

A. For Switched Access Service, no credit shall be allowed for an interruption of less than 24 hours. The Customer shall be credited for an interruption of 24 hours or more at the rate of 1/30 of (a) any applicable monthly rates or (b) the assumed minutes of use charge for each period of 24 hours or major fraction thereof that the interruption continues.

B. The credit allowance(s) for an interruption or for a series of interruptions shall not exceed (a) any applicable monthly rates or (b) the assumed minutes of use charge for the service interrupted in any one monthly billing period.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.6 PRIVACY RULES

Automatic Number Identification (ANI) derived information may be used only for billing, routing, screening, ensuring network performance, completing calls or performing, services directly related to the telephone caller's original call or transaction. Therefore, should the business that receives ANI information have an established customer relationship with the caller, the business may offer products or services to the caller that are directly related to the products or services previously purchased by the caller. The business that receives ANI information may not establish marketing lists or conduct ongoing market calls for unrelated products or services or sell the information derived from ANI (caller's name, address, telephone billing number, purchasing habits, etc.) to third parties unless it gets the prior written consent of the caller.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.7 APPLICATIONS OF RATES AND CHARGES

The regulations set forth in this section govern the application of rates for services contained in other sections of this Tariff.

2.7.1 MEASURING ACCESS MINUTES

Customer traffic to End Offices will be measured (i.e., recorded or assumed) by the Company at End Office switches. Originating and terminating calls will be measured (i.e., recorded or assumed) by the Company to determine the basis for computing chargeable access minutes. In the event the Customer message detail is not available because the Company lost or damaged tapes or experienced recording system outages, the Company will estimate the volume of lost customer access minutes of use based on previously known values. Access minutes will be recorded to the nearest one second for any particular call. Access minutes or fractions thereof are accumulated over the billing period for each End Office and are then rounded up to the nearest access minute for each end office.

For originating calls over Feature Group D, usage measurement begins when the originating Feature Group D switch receives the first wink supervisory signal, or its equivalent, forwarded from the Customer's point of termination.

The measurement of originating call usage ends when the originating Feature Group D switch receives disconnect supervision from either the originating end user's end office, indicating the originating end user has disconnected, or the Customer's point of termination, whichever is recognized first by the switch.

For terminating calls over Feature Group D, the measurement of access minutes begins when the terminating Feature Group D switch receives answer supervision from the terminating end user's end office, indicating the terminating end user has answered.

The measurement of terminating call usage over Feature Group D ends when the terminating Feature Group D switch receives disconnect supervision from either the terminating end user's end office, indicating the terminating end user has disconnected, or the Customer's point of termination whichever is recognized first by the switch.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.7.2 RATES BASED UPON DISTANCES

Where the charges for service are specified based upon distance, the following rules apply:

A. Distance between two points is measured as airline distance between the wire centers of the originating and terminating telephone lines. The wire center is a set of geographic coordinates, as referenced in National Exchange Carrier Association, Inc. (NECA) Tariff F.C.C. No. 4, associated with each NPA-NXX combination (where NPA is the area code and NXX is the first three digits of a seven-digit telephone number). Except that, until the National Exchange Carrier Association, Inc. Tariff F.C.C. No. 4 is revised to include certain Company wire centers, the airline distance should be determined utilizing the "V" (vertical) and "H" (horizontal) coordinates as set forth in any applicable Company tariffs on file with the FCC.

B. The airline distance between any two wire centers is determined as follows:

1. Obtain the "V" and "H" coordinates for each wire center from the above referenced NECA tariff.
2. Compute the difference between the "V" coordinates of the two wire centers; and the difference between the two "H" coordinates.
3. Square each difference obtained in step (2) above.
4. Add the square of the "V" difference and the square of the "H" difference obtained in step (3).
5. Divide the sum of the squares by 10. Round to the next higher whole number if any fraction is obtained.
6. Obtain the square root of the whole number result obtained above. Round to the next higher whole number if any fraction is obtained. This is the airline mileage.

C. The airline mileage is used to determine the Switched Access Service Common Mileage rates as set forth in Section 3.

2.7.3 RESERVED FOR FUTURE USE

**ISSUED:
EFFECTIVE:**

**BY: Michael O'Linc
TITLE: President**

CAMPUS COMMUNICATIONS GROUP, INC.

2.8 ACCESS SERVICE ORDER

2.8.1 ORDERING REQUIREMENTS

A. A Switched Access Service Order is used by the Company to provide a customer Switched Access Service. When placing an order for Switched Access Service, the Customer shall provide, at a minimum, the following information:

1. For Feature Group D Switched Access Service, the Customer shall specify the number of busy hour minutes of capacity (BHMC) from the Customer's premises to the End Office by Feature Group and by traffic type. This information is used to determine the number of transmission paths. The Customer shall also specify the Common Transport and Local Switching options. Customers may, at their option, order FGD by specifying the number of trunks and the End Office when direct routing to the end office is desired and the Common Transport and Local Switching options desired. When a customer orders FGD in trunks, the Customer is responsible to assure that sufficient access facilities have been ordered to handle its traffic. When ordering by trunk quantities rather than BHMC quantities to an end office, the Customer must also provide the Company an estimate of the amount of traffic it will generate to and/or from each End Office to assist the Company in its own efforts to project further facility requirements.

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

2.8.2 ACCESS SERVICE ORDER INTERVALS

Access Services are provided with one of the following Service Date Intervals:

Negotiated Interval

Advance Order Interval

A. Negotiated Interval

The Company will negotiate a service date interval with the Customer. The Company will offer a service date based on the type and quantity of Access Services the Customer has requested. All services for which rates are applied on an individual case basis are provided with a Negotiated Interval.

The initial establishment of service where the Customer is:

MAXIMUM INTERVAL

Not yet provided with any FGD service in the LATA

6 Months

Provided FGD service in the LATA

90 Days

ISSUED:
EFFECTIVE:

BY: Michael O'Linc
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

B. Advance Order Interval

When placing an Access Order, a customer may request an Advance Order Interval for a service date of 12 to 24 months from the Application Date for the following services:

A minimum of 24 voice grade equivalent Access Service lines or trunks or 720 BHMCs

Orders for less than the minimum quantities will be accommodated under Negotiated Interval provisions.

Advance Order Interval Access Orders are subject to all ordering conditions of Negotiated Interval Access Orders except for the following:

A nonrefundable Advance Payment will be calculated as follows:

The minimum monthly charge for the minimum period plus the applicable Nonrecurring Charges for the services ordered.

This Advance Payment is due 10 working days from the date the Company confirms acceptance of the order, or on the Application Date, whichever date is the later date. If the Advance Payment is not received by such payment date, the order will be canceled.

When the Access Services are connected on the service date, the Advance Payment will be applied, as a credit, to the Customer's billed service charges. When there has been a decrease in the number of services originally ordered, as described below, only the portion of the Advance Payment for services actually installed will be credited.

Cancellation or Partial Cancellation of an Advance Order Interval Access Order:

When the Customer cancels an Access Order, the order will be withdrawn. The Advance Payment will not be credited or refunded.

Any decrease in the number of ordered Access Services will be treated as a partial cancellation, and the portion of the Advance Payment for the services canceled will not be credited or refunded.

CAMPUS COMMUNICATIONS GROUP, INC.**2.8.3 ACCESS ORDER MODIFICATIONS**

The Customer may request a modification of its Access Order at any time prior to notification by the Company that service is available for the Customer's use or prior to the service date, whichever is later.

Any increase in the number of Access Service lines, trunks or busy hour minutes of capacity or CCSA signaling connections will be treated as a new Access Order (for the increased amount only).

A. Service Date Change Charge

Access Order service dates for the installation of new services or rearrangements of existing services may be changed, but the new service date may not exceed the original service date by more than 30 calendar days. When, for any reason, the Customer indicates that service cannot be accepted for a period not to exceed 30 calendar days, and the Company accordingly delays the start of service, a Service Date Change Charge will apply. If the Customer requested service date is more than 30 calendar days after the original service date, the order will be canceled by the Company and reissued with the appropriate cancellation charges applied.

A Service Date Change Charge will apply, on a per order, per occurrence basis, for each service date changed. The applicable charge is found in E., following.

B. Partial Cancellation Charge

Any decrease in the number of ordered Access Service lines, trunks or busy hour minutes of capacity ordered with a Negotiated Interval Access Order will be treated as a partial cancellation and the charges as set forth in F., following, will apply. Partial cancellation charges do not apply to Advance Order Interval Access Orders.

C. Design Change Charge

The Customer may request a design change to the service ordered. A design change is any change to an Access Order which requires engineering review. Design changes do not include a change of customer premises, end user premises, end office switch, or Feature Group type except for changes to Feature Group D. Changes of this nature will require the issuance of a new order and the cancellation of the original order with appropriate cancellation charges applied.

The Design Change Charge will apply on a per order, per occurrence basis, for each order requiring a design change. The applicable charge is found in E., following.

If a change of service date is required, the Service Date Change Charge will also apply.

CAMPUS COMMUNICATIONS GROUP, INC.**D. Expedited Order Charge**

When placing an Access Order for service(s), a customer may request a service date that is prior to the service date that has been negotiated by the Company and the Customer. A customer may also request an earlier service date on a pending Negotiated or Advance Order Interval Access Order. If the Company agrees to provide service on an expedited basis, an Expedited Order Charge will apply.

If the Company receives a request for an expedited service date at the time an Access Order is placed, the Expedited Order Charge is calculated by summing all the nonrecurring charges associated with the order and then dividing this total by the number of days in the negotiated service period. The charge is then applied on a per day of improvement basis, per order, but in no event shall the charge exceed fifty percent of the total nonrecurring charges associated with the Access Order.

F. Order Charges

	NONRECURRING CHARGE
Partial Cancellation Charge, per order, per occurrence	\$39.00
Design Change Charge, per order, per occurrence	\$181.00
Service Date Change Charge, per order, per occurrence	\$39.00

CAMPUS COMMUNICATIONS GROUP, INC.**2.8.4 CANCELLATION OF AN ACCESS ORDER**

A. A customer may cancel an Access Order for the installation of service at any time prior to notification by the Company that services available for the Customer's use or prior to the service date, whichever is later. The cancellation date is the date the Company receives written or verbal notice from the Customer that the order is to be canceled. The verbal notice must be followed by written confirmation within 10 days. If a Customer or an end user is unable to accept Access Service within 30 calendar days after the original service date, the Customer has the choice of the following options:

The Access Order shall be canceled and charges set forth in B., following will apply, or billing for the service will commence.

If no cancellation request is received within the specified 30 calendar days, billing for the service will commence. In any event, the cancellation date or the date billing is to commence, as applicable, shall be the 31st day beyond the original service date of the Access Order.

B. When a customer cancels a Negotiated Interval Access Order for the installation of service, a Cancellation Charge will apply as follows:

1. When the Customer cancels an Access Order, a charge equal to the estimated provisioning costs incurred at a particular date for the service ordered by the Company shall apply.
2. If the Company misses a service date for a Negotiated Interval Access Order by more than 30 days, due to circumstances such as acts of God, governmental requirements, work stoppages and civil commotions, the Customer may cancel the Access Order without incurring cancellation charges.

2.8.5 MINIMUM PERIOD

A. The minimum period for which Switched Access Service is provided and for which charges are applicable, is three months.

B. The following changes will be treated as a discontinuance of the existing service and an installation of a new service. A new minimum period will be established. All associated nonrecurring charges will apply for the new service.

1. A move to a different building.
2. A change in type of service.
3. A change in Switched Access Service Interface Group.
4. Change in Switched Access Service traffic type.

CAMPUS COMMUNICATIONS GROUP, INC.

2.8.6 MINIMUM PERIOD CHARGE

When Access Service is disconnected prior to the expiration of the minimum period, charges are applicable for the balance of the minimum period.

The Minimum Period Charge for monthly billed services will be determined as follows:

- A. All unpaid Nonrecurring Charges reasonably expended by Company to establish service to Customer, plus;
- B. Any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by Company on behalf of Customer, plus;
- C. All Recurring Charges specified in the applicable Service Order for the balance of the then current minimum period;
- D. Minus a reasonable allowance for costs avoided by the Company as a direct result of Customer's cancellation.

In addition to the Minimum Period Charge, Termination Liabilities may apply, as set forth elsewhere, for those services ordered under Term Agreements.

CAMPUS COMMUNICATIONS GROUP, INC.

2.9 SPECIAL CONSTRUCTION

All rates and charges quoted herein provide for furnishing of facilities when the suitable facilities are available or where the design or construction of the necessary facilities does not involve unusual costs.

When, at the request of the Customer, the Company designs and/or constructs facilities that it would otherwise not construct, or the construction of such facilities involves a greater expense than would otherwise be incurred, Special Construction nonrecurring charges may apply.

3. SWITCHED ACCESS SERVICE

3.1 GENERAL

Switched Access Service, which is available to Customers for their use in furnishing their services to end users, provides a two-point communications path between a Customer's premises and an end user's premises. It provides for the use of common terminating, switching and trunking facilities. Switched Access Service provides for the ability to originate calls from an end user's premises to a customer's premises, and to terminate calls from a customer's premises to an end users premises in the LATA where it is provided. Switched Access Service must be ordered separately for each LATA in which the Customer desires to originate or terminate calls.

3.2 PROVISION AND DESCRIPTION

Switched Access Service is provided in two service categories of standard and optional features called Feature Groups. The Company provides Feature Group D originating and terminating Switched Access. The service categories are differentiated by their technical characteristics and the manner in which an end user accesses them when originating calls. Terminating Calling permits the delivery of calls from the customer's premises to telephone exchange service locations. Originating Calling permits the delivery of calls from telephone exchange service locations to the customer's premises. Two-way Calling permits the delivery of calls in both directions, but not simultaneously.

TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.**3.2.1 FEATURE GROUP D**

FG D Access, which is available to all customers, provides trunk side access to Company End Office switches with an associated uniform 10XXX access code for the Customer's use in originating and terminating communications. No access code is required for calls to a customer over FG D if the end user's telephone exchange service is arranged for pre-subscription to that customer.

3.2.2 TRAFFIC TYPES

The major traffic types are originating, terminating and directory assistance. When ordering capacity for, FGD access, the customer must at a minimum specify such access capacity in terms of originating traffic type and/or terminating traffic type. Originating Traffic represents access capacity within a LATA for carrying traffic from the end user to the customer. Because some customers may want to further segregate their originating FGD traffic into separate trunk groups or because segregation may be required by technical limitations. When ordering the following originating traffic types of access capacity, the FGD customer must specify the specific traffic type being ordered.

1. Domestic. Domestic traffic type represents access capacity for carrying only domestic traffic other than 800, 900 and operator traffic.
2. 800
3. 900
4. Operator 800, 900 and operator traffic types represent access capacity for carrying respectively only 800, 900 or operator traffic.

Terminating Traffic represents access capacity within a LATA for carrying traffic from the customer to the end user.

Directory Assistance Traffic represents access capacity within a LATA for carrying directory assistance traffic from the customer to a directory assistance location. Directory assistance traffic type is used for ordering directory assistance access service.

CAMPUS COMMUNICATIONS GROUP, INC.**3.3 SWITCHED ACCESS RATE CATEGORIES**

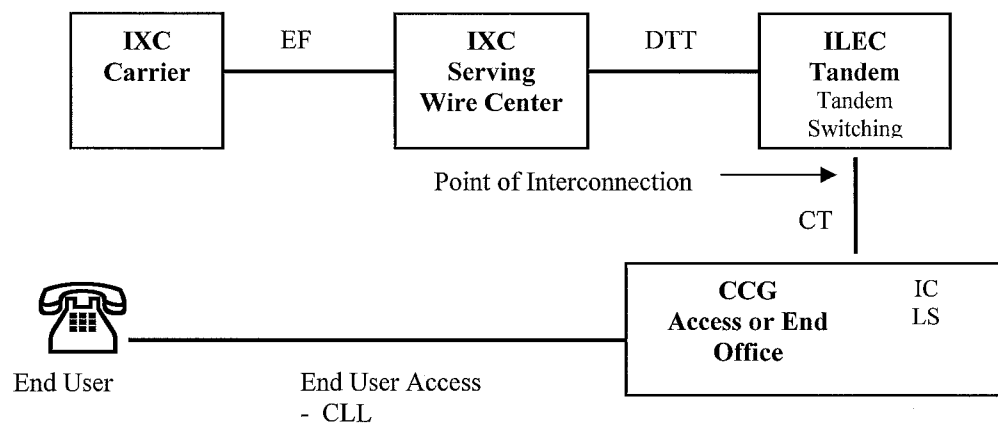

There are three rate categories that apply to Switched Access Service:

Carrier Common Line

Common Transport (includes Transport Facility, Transport Mileage, and Interconnection Charge)

End Office/Local Switching

The following diagram depicts a generic view of the components of Switched Access Service and the manner in which the components are combined to provide a complete access service.

ILEC bills:

EF - Entrance Facility

DTT - Direct Trunk Transport (if to ILEC tandem)

Tandem Switching

CCG bills:

CT - Common Transport

IC - Interconnection Charge

LS - End Office/Local Switching

CCL - Carrier Common Line

ISSUED:
EFFECTIVE:

BY: Michael O'Line
TITLE: President

CAMPUS COMMUNICATIONS GROUP, INC.

A. Carrier Common Line

The Carrier Common Line rate category provides for the use of Company common lines by customers for access to end users to furnish customer interstate communications.

1. Limitations

- a. A telephone number is not provided with Carrier Common line.
- b. Detail billing is not provided for Carrier Common Line.
- c. Directory listings are not included in the rates and charges for Carrier Common Line.
- d. Intercept arrangements are not included in the rates and charges for Carrier Common Line.
- e. All trunk side connections provided in the same combined access group will be limited to the same features and operating characteristics.

2. Rate Regulations

Where the Customer is provided with Switched Access Service under this Tariff, the Company will provide the use of Company common lines by a Customer for access to end users at rates and charges as set forth in 3.4, following.

- a. The Carrier Common Line charges will be billed per access minute to each Switched Access Service customer.
- b. When the Customer reports interstate and intrastate use of Switched Access Service, the Carrier Common Line charges herein will be billed only to intrastate.
- c. All Switched Access Service provided to the Customer will be subject to Carrier Common Line charges.

CAMPUS COMMUNICATIONS GROUP, INC.**B. Common Transport**

The Common Transport rate category provides for transmission facilities between the Company's End Office and Incumbent Local Exchange Carrier's tandem network.

1. Transport Facility. The Transport Facility element includes the non-distance sensitive portion of Switched Transport and is assessed on a per-access-minute-of-use basis.
2. Transport Mileage. The Transport Mileage element includes the distance sensitive portion of Switched Transport and is assessed on a per-access-minute-of-use-per-mile basis.
3. Interconnection Charge. The Interconnection Charge shall be assessed upon all Customers interconnecting with the Company's switched access network. Interconnection is applicable to all switched access originating and terminating minutes of use.
4. Dedicated End Office Trunk Port - Provides for the termination of Direct Trunked Transport Trunks at an end office. Dedicated Tandem Trunk Port provides for the termination of a voice frequency transmission path into the Serving Wire Center's side of an access tandem.
5. Direct-Trunked Transport - The Direct-Trunked Transport provides the transmission path from the serving wire center of the Customer's premises to an end office or as an option from the SWC to a tandem. This transmission path is dedicated to the use of a single Customer. The Direct-Trunked Transport rate category is comprised of a monthly fixed rate and a monthly per mile rate based on the facility provided. The fixed rate provides the circuit equipment at the ends of the transmission links. The per mile rate provides the transmission facilities, including intermediate transmission circuit equipment, between the end points of the circuit. The Direct-Trunked Transport rate is the sum of the fixed rate and the per mile rate. For purposes of determining the per mile rate, mileage shall be measured as airline mileage between the serving wire center of the Customer's premises and the end office or directly to the access tandem using the V&H coordinates method.
6. Common Switched Transport Common Switched Transport is comprised of two rate elements. The two rate elements are as follows: (a) The Local Transport Termination rate provides for that portion of the voice frequency transmission path at the end office and at the Customer's premises, and (b) The Local Transport Facility rate provides for that portion of the voice frequency transmission path between the end office and at the Customer's premises.

CAMPUS COMMUNICATIONS GROUP, INC.

C. End Office/Local Switching

The End Office/Local Switching rate category provides the local end office switching and end user termination functions necessary to complete the transmission of Switched Access communications to and from the end users served by the Company's End Office.

The End Office/Local Switching rates are set forth in Section 3.4, following.

CAMPUS COMMUNICATIONS GROUP, INC.**3.4 SWITCHED ACCESS RATES AND CHARGES****3.4.1 TENNESSEE**

A.	Local Switching	<u>Originating</u>
	Per Access Minute:	\$0.002128
B.	Common Trunk Port Service per each common Transport trunk termination per access MOU	\$0.000800
C.	Interconnection Charge Per Access Minute:	\$0.0025
D.	Network Blocking Charge, Per Call Blocked:	\$0.0077
E.	Dedicated End Of Trunk Port Service	<u>Originating</u>
	Per DS0 Port	\$9.47
	Per DS1 Port	\$139.98

These rates are subject to change based on industry rates and market competition. These rates are for informational purposes and can be updated.

3.4.2 INDIVIDUAL CONTRACT BASIS (ICB) ARRANGEMENTS

ICB rates will be structured to recover the Company's cost of providing the service. Rates may be negotiated and adjusted on an Individual Contract Basis (ICB). ICB rates will be offered to Customers in writing and will be made available to similarly situated Customers. Such ICB arrangements may specify, among other things, length of service, minimum volume of service required, and the rates and charges for the proposed service.

ATTACHMENT 2

Original Power of Attorney from Surety Company

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That OLD REPUBLIC SURETY COMPANY, a Wisconsin stock insurance corporation, does make, constitute and appoint:

ANTHONY R. ACKERMAN, DOUGLAS C. FIELDS, DONNA SIDDENS, DEBRA S. MC GOUGH, KAREN J. SCOTT, PAMELA S. JARVIS, MICHAEL C. STIFF, CINDY L. CUNNINGHAM, LUCAS J. SHERMAN, ROGER L. WIND, OF CHAMPAIGN, IL

its true and lawful Attorney(s)-in-Fact, with full power and authority, not exceeding \$20,000,000, for and on behalf of the company as surety, to execute and deliver and affix the seal of the company thereto (if a seal is required), bonds, undertakings, recognizances or other written obligations in the nature thereof, (other than bail bonds, bank depository bonds, mortgage deficiency bonds, mortgage guaranty bonds, guarantees of installment paper and note guaranty bonds, self-insurance workers compensation bonds guaranteeing payment of benefits, asbestos abatement contract bonds, waste management bonds, hazardous waste remediation bonds or black lung bonds), as follows:

ALL WRITTEN INSTRUMENTS IN AN AMOUNT NOT TO EXCEED AN AGGREGATE OF
ONE MILLION DOLLARS(\$1,000,000)----- FOR ANY SINGLE
OBLIGATION, REGARDLESS OF THE NUMBER OF INSTRUMENTS ISSUED FOR THE OBLIGATION.

and to bind OLD REPUBLIC SURETY COMPANY thereby, and all of the acts of said Attorneys-in-Fact, pursuant to these presents, are ratified and confirmed. This document is not valid unless printed on colored background and is multi-colored. This appointment is made under and by authority of the board of directors at a special meeting held on February 18, 1982. This Power of Attorney is signed and sealed by facsimile under and by the authority of the following resolutions adopted by the board of directors of the OLD REPUBLIC SURETY COMPANY on February 18, 1982.

RESOLVED that, the president, any vice-president, or assistant vice president, in conjunction with the secretary or any assistant secretary, may appoint attorneys-in-fact or agents with authority as defined or limited in the instrument evidencing the appointment in each case, for and on behalf of the company to execute and deliver and affix the seal of the company to bonds, undertakings, recognizances, and suretyship obligations of all kinds; and said officers may remove any such attorney-in-fact or agent and revoke any Power of Attorney previously granted to such person.

RESOLVED FURTHER, that any bond, undertaking, recognizance, or suretyship obligation shall be valid and binding upon the Company

- (i) when signed by the president, any vice president or assistant vice president, and attested and sealed (if a seal be required) by any secretary or assistant secretary; or
- (ii) when signed by the president, any vice president or assistant vice president, secretary or assistant secretary, and countersigned and sealed (if a seal be required) by a duly authorized attorney-in-fact or agent; or
- (iii) when duly executed and sealed (if a seal be required) by one or more attorneys-in-fact or agents pursuant to and within the limits of the authority evidenced by the Power of Attorney issued by the company to such person or persons.

RESOLVED FURTHER, that the signature of any authorized officer and the seal of the company may be affixed by facsimile to any Power of Attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the company; and such signature and seal when so used shall have the same force and effect as though manually affixed.

IN WITNESS WHEREOF, OLD REPUBLIC SURETY COMPANY has caused these presents to be signed by its proper officer, and its corporate seal to be affixed this 15TH day of NOVEMBER, 2013.

OLD REPUBLIC SURETY COMPANY

Phyllis M. Johnson
Assistant Secretary

Alan Pavlic
President

STATE OF WISCONSIN, COUNTY OF WAUKESHA-SS

On this 15TH day of NOVEMBER, 2013, personally came before me, Alan Pavlic and Phyllis M. Johnson, to me known to be the individuals and officers of the OLD REPUBLIC SURETY COMPANY who executed the above instrument, and they each acknowledged the execution of the same, and being by me duly sworn, did severally depose and say: that they are the said officers of the corporation aforesaid, and that the seal affixed to the above instrument is the seal of the corporation, and that said corporate seal and their signatures as such officers were duly affixed and subscribed to the said instrument by the authority of the board of directors of said corporation.

Kathryn R. Pearson
Notary Public
My commission expires: 9/28/2014

CERTIFICATE

(Expiration of notary commission does not invalidate this instrument)

I, the undersigned, assistant secretary of the OLD REPUBLIC SURETY COMPANY, a Wisconsin corporation, CERTIFY that the foregoing and attached Power of Attorney remains in full force and has not been revoked; and furthermore, that the Resolutions of the board of directors set forth in the Power of Attorney, are now in force.

40-1827

Signed and sealed at the City of Brookfield, WI this 17th day of April, 2014

Jan E. Cherry
Assistant Secretary
