RESPONSE OF AENEAS COMMUNICATIONS, LLC

In response to the Hearing Officer's May 26, 2015 directive, Aeneas Communications, LLC has consulted with counsel for Jackson Energy Authority ("JEA") about the status of this complaint in light of the Federal Communications Commission's decision "In the Matter of: Protecting and Promoting the Open Internet," GN Docket No. 14-28, released March 12, 2015 (the "Open Internet Order"). The Order is now on appeal before the United States Court of Appeals for the District of Columbia.¹

Both Aeneas and JEA are still in the process of determining the applicability of the Order to the issues raised in the complaint and are also following closely the issues now being raised in the Court of Appeals. The parties therefore jointly request that the Authority take no action on

¹ The Open Internet Order became effective June 12, 2015 after the Court of Appeals denied requests by several appellants to stay the Order. Although the Court allowed the Order to become effective, the Court ordered the parties to submit an expedited procedural schedule so that the Court will be able to consider the merits of the appeal within a short period of time.

this matter at this time and suggest that the parties be directed to file a status report with the Hearing Officer on or before September 1, 2015.

Respectfully submitted,
