ORDER SUSPENDING TARIFF FOR SIXTY (60) DAYS

This matter came before Chairman Herbert H. Hilliard, Director Kenneth C. Hill and Director Robin Bennett of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on September 15, 2014. On August 29, 2014, Piedmont Natural Gas Company, Inc. ("Piedmont") filed changes to its tariff to (1) amend existing Rate Schedule 342 related to Natural Gas Vehicle Fuel and (2) introduce Rate Schedule 343, related to an Experimental Motor Vehicle Fuel Service. The tariff changes have a proposed effective date of October 1, 2014.

During the Authority Conference, the panel found that additional information is needed to properly review and evaluate the proposed tariff changes and voted unanimously to suspend Piedmont's proposed tariff for sixty (60) days from October 1, 2014.

IT IS SO ORDERED.

Chairman Herbert H. Hilliard, Director Kenneth C. Hill and Director Robin Bennett concur.
