**Re: Docket No. 14-00094 – Joint Application of MegaPath Corporation and GC Pivotal, LLC
d/b/a Global Capacity
CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Mr. Hilliard:

GC Pivotal, LLC d/b/a Global Capacity (“Global Capacity”), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation (“MegaPath”), notifies the Tennessee Regulatory Authority (“TRA”) that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.¹ As a result of this, effective January 1, 2015, MegaPath will no longer provide telecommunications services in Tennessee and therefore no longer requires its authorizations. As such, MegaPath requests that the TRA cancel MegaPath’s authorizations to provide local exchange and interexchange telecommunications services and rescind any and all tariffs on file with the TRA. MegaPath was granted authority to provide local exchange and interexchange telecommunications services pursuant to TRA authorization issued in Docket No. 99-00823 on May 22, 2000. Because MegaPath no longer provides any service that is subject to the jurisdiction of the TRA in Tennessee, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.
