Tariff Filing No. 2015-0155

Dear Sirs:

This is to acknowledge receipt of Tennessee-American Water Company's tariff filing 2015-0155 enclosing tariff pages containing certain text changes to the Company's EDI Rider and QIIP Rider. The filing was received on August 28, 2015, with a proposed effective date of the same date as filed. It appears the changes, which amend the riders' handling of infrastructure related to alternative fuels, are consistent with the Authority's decision in Docket No. 14-00121 at the Authority Conference held on June 29, 2015. Therefore, the tariff will be allowed to go into effect as requested. Please refer to the above referenced tariff number in any correspondence regarding this particular filing.

Sincerely,

Joe Shirley
Deputy Chief of Utilities
