Mr. Ainley,

TRA records indicate that Mr. Mike Callahan, who filed the Petition, was on the service list to receive notifications of the TRA Conference Agendas per email. If he did not receive notice of the Agenda, he should contact the Docket Room at (615) 770-6850 to correct his email address, which our records show as cedesigners@frontiernet.net, or he can request to have notices sent via fax, which our records show as (931) 839-6380.

I do not see a Notice of Appearance filed in the docket file indicating your representation of Hammerland Utilities. However, we will add your contact information to the service list for this docket for future filings.

The Conference Agenda for May 11, 2015, is publicly noticed on our web page at <http://tn.gov/tra>. As you will see, the matter is noticed for consideration of the appointment of a Hearing Officer, which is an administrative action by the Directors, and not for a hearing on the Petition.

The Petition will be scheduled for a public hearing at a future Authority Conference after consideration of the intervention request and discovery, if appropriate, and after the Petition is deemed complete upon Hammerland Utilities answering the questions contained in the Staff's data request dated March 30, 2015, as well as any follow-up questions from the TRA.

I regret any confusion. A copy of these emails will be filed in Docket No. 14-00124.

I represent the interest of Hammerland Utilities which has a petition before the Tennessee Regulatory Authority. It is my understanding this matter is on the docket for Monday May 11, 2015. This information has come second hand and we have no service of notice of any action and are therefore a little confused. I would greatly appreciate a phone call so we may discuss where we are on this matter.

Sincerely,

Michael L. Ainley
