**Service and Repair Qualifications**

WiMacTel, Inc. will maintain and repair their payphones via contract with Interstate Telecommunications, Inc. ("ISI"). ISI was founded in 1991, and is a national public telecommunications company. The company qualifies as a minority owned enterprise and the principals and key management personnel have extensive backgrounds in the telecommunications industry including positions with Regional Bell Operating Companies, interexchange carriers and public telecommunications service and product companies.

ISI has sales installations, maintenance and collection dispatch centers throughout the United State and Puerto Rico. ISI's technicians are strategically placed in metropolitan areas so that they can provide 24 hour response to limit out of service conditions. Field and internal computer monitoring services are currently provided on coin telephones, coinless telephones, prepaid card machines and all associated equipment. As an in house function, ISI also provides LEC/CLEC line payment processing for several customers including filing for per call compensation.

Public telephones and prepaid card machines managed and operated by ISI are located throughout the country including some of the top hotel chains and airports.
