NOTICE OF FILING DEADLINE FOR STATUS REPORT

IN RE: *Petition of Tennessee Wastewater Systems, Inc. for Approval of
Capital Improvement Surcharges and Financing Arrangements*

DOCKET NO: 14-00136

DATE: December 15, 2015

During the Status Conference held on September 2, 2015, an issue arose concerning the status of the corrective action/construction plans for the properties referenced in the Petition filed by Tennessee Wastewater Systems, Inc. in the above-styled docket and submitted by it to the Tennessee Department of Environment and Conservation. As such, Tennessee Wastewater Systems, Inc. noted that, until approval was obtained, its cost estimates related to those properties were not finalized. As several months have now passed, the Hearing Officer hereby directs Tennessee Wastewater Systems, Inc. to file a status report concerning the current status of its corrective action/construction plans for all of the properties included in its Petition, along with supporting documentation for any plans that have been approved, on or before **December 22, 2015**.
