RE: Special Contract with Middle Tennessee State University

Dear Sirs and Madam:

In Paragraph 13(d) of the Stipulation and Settlement Agreement in Docket No. 14-00146, Atmos Energy agreed to provide notice to the Commission and the CPAD at least 120 days prior to any termination, renewal, or other change to an existing Special Contract. Pursuant to that provision, Atmos Energy provides notice that its existing Special Contract with Middle Tennessee State University ("MTSU") will expire in March 2019. The Special Contract will not be replaced. MTSU will become a tariff customer effective April 1, 2019.

Given that the existing Special Contract will not be replaced, I do not believe that Commission approval is required. Please let me know if you disagree.

Best regards.

Sincerely,

A. Scott Ross
