RE: Docket No. 14-00151, *Application of Athena Broadband for Certificate of Convenience and Public Necessity*

Dear Mr. Welch:

Athena Broadband was granted a Certificate of Convenience and Public Necessity by the Tennessee Regulatory Authority (now the Tennessee Public Utility Commission) on June 9, 2015. In a letter to the Tennessee Public Utility Commission dated May 29, 2018, Athena Broadband requested cancellation of its authority, stating the company has ceased operations and all its assets were sold to United Communications on August 31, 2017.

Please verify that United Communications purchased the assets of Athena Broadband and that United Communications is no longer providing any resold lines or facilities to Athena Broadband.

Please respond to this request on or before June 28, 2018. If you have questions regarding this request, please contact Lisa Foust at 615-770-6886.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Foster", is written over a horizontal line.

David Foster  
Director, Utilities Division
