Ms. Foust,

This e-mail is a request to extend the response due date and time (today at 2:00pm) for the Authority's Data Request of April 22, 2015. Since that Request was issued, another Data Request dated May 5, 2015 was issued. The responses to both Requests are so intertwined that they should be submitted together for a complete response by my client. I am requesting an extension of the response to the April 22 Data Request to the same due date of the May 5 Request, which is one week from tomorrow, May 15.

Thank you for your consideration.

Don
