Re: *Approval of the Amendment to the Interconnection Agreement Negotiated by
AT&T Tennessee and TW Telecom of Tennessee LLC*
Docket No. 15-00007

Dear Chairman Hilliard:

Enclosed for filing in the referenced docket are the original and one copy of the *Petition for Approval of the Amendment to the Interconnection Agreement Negotiated by AT&T Tennessee and TW Telecom of Tennessee LLC* ("TW Telecom").

In accordance with Section 252(e) of the Telecommunications Act of 1996, the TRA is charged with approving or rejecting the negotiated Agreement between AT&T Tennessee and TW Telecom within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. TW Telecom and AT&T Tennessee aver that the Agreement is consistent with the standards for approval.

The amendment adds rates terms and conditions for Inter-carrier Compensation and updates the Notices section.

AT&T Tennessee respectfully requests that the Authority approve the Agreement.

Very truly yours,
