Public comments will be received concerning the proposed permit action described below:

Tennessee proposes to modify a State Operating Permit to TN Wastewater Systems - Summit View Resort, Permit Number SOP-06035, located at 2251 Upper Middle Creek Rd. in Sevierville, TN 37876, Sevier County, Tennessee. The permit is to authorize operation of a septic tanks, effluent collection, recirculating sand filter, ultraviolet disinfection and drip irrigation system with increased design capacity. Modification increases design capacity from 8,000 gpd to 18,500 gpd.

The hearing officer may limit the length of oral presentation in order to allow parties an opportunity to speak, and will require that all testimony be relevant to water quality issues. Written testimony will be accepted at the hearing, for ten working days following the hearing, and will be considered part of the hearing record.

Interested persons may obtain additional information, a copy of the draft permit, the rationale and inspect and copy forms and related documents at the Division's Central Office at the address listed above, Attn: Ms. Elizabeth Rorie, (615) 532-1172, or at the Knoxville Environmental Field Office located at 3711 Middlebrook Pike, Knoxville, TN 37921, Phone:(865) 594-6035.

Individuals with disabilities who wish to participate in these proceedings (or review the administrative file record) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Contact may be in person, by writing, telephone, or other means, and should be made no less than ten working days prior to April 15, 2016, to allow time to provide such aid or services. Contact the ADA Coordinator at (1-866-253-5827) for further information. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

You may reach Mr. Hari Akunuri, the permit writer for further information at (615) 532-0650, or by Email at [Hari.Akunuri@tn.gov](mailto:Hari.Akunuri@tn.gov).
