This email serves as notice to the Department of the completion of the Hidden Springs Treatment Facility. The facility was completed, commissioned, and put into operation on August 4, 2021. Pictures have been delayed due to weather (12 days of rain including flooding this last week which is why the ground is saturated). Once the weather clears the site will be cleaned up, tanks and lines buried, and seed and straw spread. We have reports from the HOA that the odor problems are no longer present. Please direct any questions/comments to Matt Nicks – matthew.nicks@adenus.com.

Regards,

Jeff
