RE: *Docket No. 15-00036, Application of Equinox Global Telecommunications, Inc.
for Certificate to Provide Competing Local Exchange Telecommunications
Services in Tennessee*

Dear Mrs. Martin:

I am sending this letter to advise you that the Application filed by Equinox Global Telecommunications, Inc. ("Equinox") with the Tennessee Regulatory Authority ("TRA" or the "Authority") on March 13, 2015 remains incomplete. Further, the lack of response by Equinox to the request for information sent on March 16, 2015 prevents this matter from proceeding to hearing. In light of the incomplete status and lack of communication by Equinox, the Authority must consider closing this docket file.

Therefore, inasmuch as there has been no activity in Docket No. 15-00036 for several months, you are requested to advise the Authority of any reason why this docket should remain open. Please respond within seven (7) days of the date of this correspondence, directing your response to the attention of our Dockets Manager, Sharla Dillon, and referencing Docket No. 15-00036. This letter shall serve as notice that, if a written response is not received by the close of business on January 6, 2016, Docket No. 15-00036 will thereafter be promptly closed.

Sincerely,

Ryan McGehee
Hearing Officer
