

BEFORE THE TENNESSEE REGULATORY AUTHORITY

IN RE:)	
)	
PETITION OF TENNESSEE)	DOCKET NO. 15-00071
WASTEWATER SYSTEMS, INC.,)	
FOR APPROVAL OF LOANS)	

SECOND SUPPLEMENTAL TESTIMONY OF CHARLES HYATT

Q: What is your name and occupation?

A: I am Charles Hyatt, president of Tennessee Wastewater Systems, Inc. ("TWSI").

Q: Are you the same Charles Hyatt that provided Pre-Filed Direct and Supplemental Testimony in this Docket?

A: Yes.

Q: What is the purpose of this supplemental testimony?

A: The purpose of this testimony is to explain the additional trucks in the TWSI fleet referenced in the Supplemental Response to CPAD Request for Interrogatories and Production and to clarify the number of truck loans associated with this Petition.

Q: What is the current status of the TWSI fleet of trucks?

A: There are currently eight trucks in the TWSI fleet. In June (2015), Adenus Operations transferred four pick-up trucks to TWSI for the exclusive use of the utility. These trucks are

used solely by TWSI employees to perform their work duties. It was simply an oversight that these four additional trucks were not included in the previous testimony.

Q. Can you clarify the total number of new trucks for which TWSI is seeking the Authority's approval?

A. TWSI is seeking the approval of loans for four pick-up trucks (in addition to the loan for the two excavators and the promissory note for land at Dyer's Hollow). There are two Fords (Petition, Example A), one Chevrolet (Petition, Example C), and another Chevrolet (Amended Petition, Example A). The original petition mistakenly mentioned two trucks, though the documentation for the three trucks was included in the filing. The amended petition adds the fourth truck.

Q: Does this complete your testimony?

A: Yes.
