RE: Docket No. 15-00091, *Application of QuantumShift Communications, Inc. dba VCom Solutions to Amend its Certificate of Convenience and Necessity to Provide Facilities-Based and Resold Competing Local Exchange and Interexchange Telecommunications Services in Tennessee*

Dear Ms. Taff-Rice:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of QuantumShift Communications, Inc. dba VCom Solutions' application to amend its certificate of convenience and necessity to provide facilities-based competing local telecommunications services in Tennessee, you are requested to provide the following:

- 1) The application included a copy of the Tennessee Secretary of State authorization for QuantumShift Communications, Inc., but not for VCom Solutions. A search of the Tennessee Secretary of State's website indicates the assumed name "VCom Solutions" expired on November 18, 2009. Provide documentation that the assumed name "VCom Solutions" has been reinstated with the Tennessee Secretary of State's office.
- 2) Have there been any complaints filed against QuantumShift Communications, Inc. dba VCom Solutions with any state or federal agency? If so, describe the nature of the complaint and how it was resolved.

It is requested that this information be provided no later than 2:00 pm on November 23, 2015 and that you reference Docket Number 15-00091 on the response. In accordance with TRA rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have questions regarding this request, please contact Lisa Foust at 615-770-6886.

Sincerely,

David Foster
Utilities Division Chief
