Notice of Voluntary Relinquishment**

Dear Mr. Foster:

Please accept the original and thirteen (13) copies of this letter and attached Notice submitted on behalf of Talk America Services, LLC ("Company") requesting cancellation of its authority to provide facilities-based local exchange and resold local and interexchange telecommunications services as granted in Docket Numbers 14-00120 and 15-00098 effective as soon as possible. A copy of the Application to Discontinue Services submitted to the FCC on April 15, 2019 and customer notice are included with this letter.

At the time of the proposed discontinuance in April, the Company had no local customers in Tennessee and 22 presubscribed long-distance only customers. All remaining long-distance customers are expected to be disconnected by no later than June 30, 2019.

Talk America Services, LLC ("Talk America Services" or "Applicant"), hereby seeks authorization pursuant to Section 214 (a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, to discontinue the provision of exchange access and/or interstate long distance services in the states of Kentucky, Oklahoma, Oregon and Tennessee. This proposed discontinuance will affect approximately 484 existing customers.¹

Applicant is considered a non-dominant telecommunications carrier with respect to all of its services, including those affected by the proposed discontinuance.

Talk America Services provides the following information pursuant to Section 63.71 of the Commission's rules:

1. Name and corporate headquarters address of Carrier

Talk America Services, LLC

Little Rock, AR 72211

2. Correspondence concerning this Application should be sent to:

Telephone: 407-740-3031

E-Mail: sthomas@inteserra.com

¹ Talk America Services also intends to disconnect local exchange service (dial tone and local usage), digital subscriber line ("DSL") internet access, and intrastate long-distance services to some of the affected customers. These services are not subject to the FCC's Section 214 discontinuance rules and are, therefore, not included as part of this request for authorization. However, customers are being notified regarding all of the services that are to be discontinued.

3. *Date of Planned Service Discontinuance, Reduction or Impairment:*

Talk America Services proposes to discontinue the services that are the subject of this Application on or about June 1, 2019, pending required federal and state regulatory approval of the discontinuance.

4. *Points of Geographic Areas of Service Affected:*

Talk America Services proposes to discontinue all of its telecommunications services in the states of Kentucky, Oklahoma, Oregon and Tennessee. Services provided to existing customers will be discontinued and services will no longer be offered to new customers following the proposed discontinuance.

5. *Brief Description of Types of Service Affected and Reason for Discontinuance:*

The table below identifies the types of telecommunications services and affected customers within each state impacted by the proposed discontinuance of service.

State	Local Exchange/Exchange Access Lines and Intrastate/Interstate Long Distance (Bundled)	Intrastate and Interstate Long Distance Only	Total Affected Customers
Kentucky	28	422	450
Oklahoma	2	1	3
Oregon	4	5	9
Tennessee	0	22	22

The services subject to the FCC's jurisdiction that are the subject of this request for authorization are exchange access and interstate long distance.

The services are being discontinued because Talk America Services has a very small customer base in the affected states and does not anticipate growth in its customer base. Consequently, it is not economically viable to continue to offer service these states. As described below, Talk America Services is providing all affected customers with ample notice of the discontinuance and has established a dedicated toll-free customer service number to support customers impacted by the discontinuance.

6. *Brief Description of Dates and Methods of Notice to All Affected Customers:*

The Applicant has provided written customer notice of the planned discontinuance in accordance with the requirements of section 63.71 (a) of the Commission's Rules. Notice was provided via 1st class U.S. mail to all affected customer on April 15, 2019. The notice is attached as Exhibit A.

A copy of this Application is being sent to the state regulatory commissions and governors' offices in all of the affected states, as well as to the Department of Defense, as required under Section 63.71, concurrent with this filing. A service list is provided in Exhibit B.

Conclusion

Talk America Services, LLC respectfully requests that the Commission approve its Section 63.71 Application to discontinue the services described herein. Pursuant to Section 214(a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, Talk America Services understands that this application will be automatically granted on the 31st day after the Public Notice is released, with no Commission notification to the Company, unless the Commission has notified the Company that the grant will not be automatically effective.

Dated this 15th day of April, 2019.
