Twila,

It appears this might be pre-filed for the state of Alabama. Also, in several of the questions, it sounds as if Mr. Russell is not speaking about himself, but that the answers are written in the third person. You guys might want to go over these things thoroughly before submitting this into the record as an official filing.

Thanks,  
Lisa

Good Evening Lisa,

Please see attached document. I'm aware that it needs to be notarized but is this still acceptable for the pre-filed testimony?

Thanks,
