Hey Lisa,

I have attached an updated Tennessee pre-filed testimony however, it is still in third person. Will this be a problem?
Also, will June 14th work with the hearing?

Let me know what you think.

Thank you,

Twila,

I have highlighted and attached what gave me the idea that this pre-filed testimony might be for the state of Alabama.

Thanks,

Good Morning Lisa,

Yes, I can see the answers that appear third person. Does it not need to be third person for the official filing? Where in the testimony do you get the impression that the document is pre- filed for Alabama?

Thanks,

Twila,

It appears this might be pre-filed for the state of Alabama. Also, in several of the questions, it sounds as if Mr. Russell is not speaking about himself, but that the answers are written in the third person. You guys might want to go over these things thoroughly before submitting this into the record as an official filing.

Thanks,
Lisa

Good Evening Lisa,

Please see attached document. I'm aware that it needs to be notarized but is this still acceptable for the pre-filed testimony?

Thanks,
