Ms. Bridwell

To assist in review of this filing please reference page 22 of your direct testimony. You estimate approval of this Petition will result in the typical residential customer living in the City of Chattanooga having a bill increase of \$0.95 per month or \$11.40 per year.

Based upon the corrections made in TAWC's January 28, 2016 filing what is the estimate of the customer impact?

Your immediate response would be appreciated since this matter is scheduled for hearing on March 14th.

Thanking you in advance.
