**STAFF RESPONSE TO THE PETITION FOR INFORMATION**

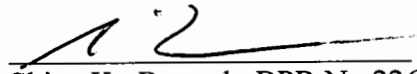

---

Comes now the Tennessee Regulatory Authority (“TRA” or “Authority”) Compliance Division (“Compliance”) and responds to the Consumer Protection and Advocate Divisions of the Office of the Attorney General’s petition for information.

**RESPONSES**

1. Counsel for the Compliance Division had never communicated directly with MoyToy, LLC or its counsel until a telephone conversation with their attorney on January 26, 2016.
2. All complaints currently known to the TRA were submitted in writing, as public comments, or as testimony in TRA Docket No. 12-00030. Of particular importance are those comments made at the public hearing on February 25, 2013.
3. The undersigned is unaware of any such communication.
4. At this time it is unclear how long MoyToy, LLC operated the water system. It appears that they transferred the water system to Laurel Hills Condominiums Property Owners Association on or about May 1, 2011.
5. Based upon testimony and documents in TRA Docket No. 12-00030 there are approximately one hundred thirty customers.
6. Based upon testimony and document in TRA Docket No. 12-00030, yes.

Respectfully submitted,
