RE: **NOTICE** of TRA Receipt of Application for Certificate of Franchise Authority
and **OFFICIAL REQUEST** for Information

Dear Mayor Smithson:

On January 25, 2016, Crystal Clear Technologies, LLC ("Crystal Clear") filed with the Tennessee Regulatory Authority ("TRA" or "Department") an application for a State-Issued Certificate of Franchise Authority in an area that includes your municipality. By this time, you should have already received notice from Crystal Clear of its intention to serve your area. You may access this and other related filings on the TRA's website at <http://www.tn.gov/tra/dockets/1600009.htm>. The Department is required to send this notice so that you may act to preserve your Public, Educational and Governmental ("PEG") channels and PEG access support payments under Tenn. Code Ann. § 7-59-309.¹

If an incumbent cable TV provider currently serves your municipality,² and that provider's franchise requires that it provide PEG channels or access payments, then you may be able to receive the same number of PEG channels and equivalent support payments from Trenton TV. But, in order to claim these benefits, you must provide the TRA with information about the PEG channels negotiated under your incumbent provider's franchise *within ten (10) days* from the date you received notice from Trenton TV that it intended to provide cable or video service to your municipality, specifically:

- (1) The number of PEG channels that have been activated by the incumbent;
- (2) The number of PEG channels that are authorized to be activated under the incumbent franchise; and,
- (3) The amount of any fee or other payment for PEG access support required under the incumbent franchise.³
