**Subject:** Docket No. 16-00012

Good morning,

Since there has been no objection to the petitions to intervene filed by the Consumer Advocate and TRA Party Staff in Docket No. 16-00012, I'm going to go ahead and grant the interventions. I'll follow up with a written order.

I would ask that the parties get together and work out a proposed procedural schedule working back from an anticipated hearing date of April 11, 2016. I'd like to have a telephone status conference to discuss the procedural schedule on Friday, February 26 th at 2:00 p.m. Please let me know if you all are available.

Thank you,

Monica Smith-Ashford

Hearing Officer
