Re: Docket 16-00012, *Petition of Laurel Hills Water System in Receivership for Approval of Adjustment of Its Rates and Charges*

Dear Mr. Sinor:

This is to confirm that the Consumer Advocate does not intend to appeal the TRA's decision of May 9, 2016, in the matter of *Petition of Laurel Hills Water System in Receivership for Approval of Adjustment of Its Rates and Charges*, TRA Docket No. 16-00012. Pursuant to the request by the Laurel Hills Water System in Receivership ("Receiver"), the TRA's decision was a "recommendation," not a decision setting rates, which will be reviewed by the Chancery Court of Cumberland County. The Consumer Advocate plans to participate in that Chancery Court review.

Thank you for your attention to these matters.

Sincerely,

A handwritten signature in blue ink that reads "Vance L. Broemel".
