DOCKET NO.

ORDER APPROVING EXTENSION OF PERFORMANCE-BASED RATEMAKING TARIFF
REPORT DEADLINE

This matter is before the Hearing Officer of the Tennessee Regulatory Authority (“Authority” or “TRA”) for consideration of the *Request for 45 Day Extension of PBR Report Deadline* (“*Request for Extension*”) filed by Atmos Energy Corporation (“Atmos”) on March 22, 2017. In its *Request for Extension*, Atmos states that pursuant to its tariff, it is required to file calculations of shared savings and shared costs no later than 60 days after the end of the quarter. According to Atmos, it has been working diligently to complete the first report applying the tariff changes adopted in this docket, incorporating the changes to the Performance-Based Ratemaking (“PBR”) mechanism and applying those changes to the period starting April 2016. Atmos requests a 45-day extension to the deadline for submitting the first report, which would move the deadline to April 16, 2017. The Hearing Officer finds that Atmos’ request is reasonable and that there has been no opposition filed to the *Request for Extension*. Therefore, the Hearing Officer grants the *Request for Extension* and the deadline for filing the first PBR report will be April 16, 2017.

BE IT HEREBY ORDERED.

Monica Smith-Ashford, Hearing Officer
