Re: *Docket No.16-00036 – Cancellation of Mobilitie Management, LLC's
Certificate of Public Convenience and Necessity to Provide Competing
Local Telecommunication Services in Tennessee*

Dear Mr. Foster:

Please accept the original and four (4) copies of this letter submitted on behalf of Mobilitie Management, LLC ("Mobilitie Management") notifying the Tennessee Public Utility Commission ("Commission") of its intent to voluntarily surrender the above-referenced authorization, granted on July 29, 2016 in Docket No. 16-00036, and to withdraw any tariffs on record, effective at the soonest possible date.

The public convenience and necessity will not be adversely affected by the action described herein. Mobilitie Management does not offer or provide any services to Tennessee customers pursuant to the above-referenced authority, and therefore, no customer's services will be interrupted or disconnected and customer notice is not necessary. Mobilitie Management seeks to surrender this authorization to ensure that its records, and the Commission's, are fully up to date.

Mobilitie Management also respectfully requests that the Commission return its performance bond on file with the Commission upon cancellation of its authority.

Please date-stamp the extra copy of this letter and return it in the envelope provided. If you have any questions regarding this notification, please contact the undersigned.

Respectfully submitted,

Erin M. Griffith
