Re: In the Matter of the Application of Entergy Arkansas, Inc. for  
Approval of Changes in Rates for Retail Electric Service  
Tennessee Regulatory Authority Docket No. 2016-\_\_\_\_\_

Dear Chairman Allison:

On April 24, 2015, Entergy Arkansas, Inc. (EAI), filed with the Arkansas Public Service Commission (APSC), an Application for Approval of Changes in Rates for Retail Electric Service in APSC Docket No. 15-015-U. The purpose of this letter is to file this same Application with the Tennessee Regulatory Authority (TRA) for its consideration and approval. Due to the volume of the documentation, we are enclosing one original hard copy and a compact disc containing this filing including the Application, APSC Minimum Filing Requirements, and the witness' testimony. Also included is APSC Order No. 18 issued February 23, 2016, approving EAI's change in rates for retail electric service, and APSC Order No. 19 issued March 22, 2016, approving EAI's revised compliance tariff sheets.

EAI will also file with the TRA a complete set of compliance tariff sheets reflecting the TRA's docket number and effective date.

Pursuant to Chapter 1220-4-1-.05 of the Tennessee Regulatory Authority General Public Utilities Rules, attached are notarized copies of EAI's legal notice published on May 25 and June 5, 2015, in the *Arkansas Democrat-Gazette*, the newspaper of general circulation located in EAI's service area, as required notification to our Tennessee customers.

A check in the amount of \$25.00 is enclosed as payment of the filing fee with the TRA.
