It is my understanding the company is working on a tax clearance in order to complete the dissolution and refile. We have requested the original bond from the company. As soon as we have additional information, we will file it with the TRA and provide copies to staff.

Subject: RE: Docket No. 16-00074 - Supplementary Filing of FreedomVoice Systems

Mr. Donahue,

The response received on September 29, 2016 indicated that FreedomVoice was in the process of dissolving its authorization to conduct business in Tennessee and would be refile, adding an assumed name. Can you advise as to the status of the dissolution and the new filing? Also, please note that the surety bond included in the response was a copy. We need the original surety bond. And finally, the individual who signed for the Principal on page 1 of the bond needs to print their name and title below their signature on the original bond and submit to us. Otherwise we have no way of associating the Acknowledgment page with the bond page, as the signature for the Principal is illegible on page 1.

Once we receive the new Secretary of State authorization and the original bond, we will continue to process this application.

Thanks,
Lisa Foust
