Thank you for follow up on the status. FreedomVoice recently completed the tax clearance and corporate filings. However, given the recent completion of GoDaddy's acquisition of FreedomVoice (as described in FreedomVoice's application) and the grant of authorization to GoDaddy in Docket No. 16-00095, FreedomVoice is likely going to withdraw the application.

Michael

Mr. Donahue,

The last correspondence I have regarding the above filing is from December 7, 2016. The email received on that date indicated the company was working on a tax clearance in order to complete a dissolution and refile. We did receive the original bond and it has been approved.

Is it the applicant's intent to pursue the requested certification in Tennessee? If so, please submit written notice of such intent to Docket No. 16-00074 to ensure that this matter is not administratively closed for inactivity.

If you have questions I can be reached at 615-770-6886 or via a response to this email.
