Re: Kingsport Power Company d/b/a AEP Appalachian Power
Fuel Adjustment Tariff Filing No. 2016-00105

Dear Mr. Bovender:

This is to acknowledge receipt of your letter dated July 5, 2016, enclosing a proposed modification to the Fuel Adjustment Clause Tariff of Kingsport Power Company d/b/a AEP Appalachian Power. This filing results in a revised fuel clause adjustment increase from 0.44650 to 0.57772 cents per kWh.

The Company advised that the most recent month's fuel cost calculations were not available in time to comply with the thirty (30) day filing notice required by TRA Rules 1220-4-1-.04 and 1220-4-1-.06 (4). Pursuant to the delegated authority by the Directors of the TRA, the thirty (30) day notice requirement has been shortened as provided for in TRA Rules 1220-4-1-.04 and 1220-4-1-.06 (4). The rates filed will be allowed to become effective August 3, 2016 as requested.

Please refer to the tariff number above in any correspondence regarding this filing.

Sincerely,

A handwritten signature in cursive script that reads "David F. Jones". To the right of the signature, the initials "1 ab2" are written.
