Re: Docket No. 16-00115, *Request to appoint a Hearing Officer to determine whether to initiate a show cause proceeding against King's Chapel Capacity, LLC for violation of the statute and rules regulating water utilities.*

On October 3, 2016, the Tennessee Regulatory Authority ("TRA" or "Authority") received the outstanding inspection fee and late penalties owed. King's Chapel is current on their inspection fees at this time. No further action is required and the TRA will administratively close this docket.
