RE: Petition of Kentucky Utilities Company for an Order Amending and Extending Authority with Respect to Revolving Line of Credit, Docket No. 16-00119; First Response to Data Request

Dear Mr. Kettles:

This letter is in response to your letter dated October 25, 2016 seeking the status of and periodic updates on the similar filings of Kentucky Utilities Company ("KU") pending before the Kentucky Public Service Commission ("KPSC") and the Virginia State Corporation Commission ("VSCC").

On October 14, 2016, KU filed an Application with the KPSC (Case No. 2016-00360) requesting an order amending and extending the authority with respect to the revolving line of credit which is the subject of the above referenced TRA docket. The KPSC Application is pending and no substantive action has been taken.

On October 19, 2015, KU filed a letter with the VSCC requesting approval of an amendment and extension of the previously granted authority with respect to the revolving line of credit. The VSCC did not require a formal application; therefore the request was filed under the previous case number (Case No. PUE-2014-00031). The VSCC request is pending and no substantive action has been taken.

We will continue to provide you with periodic updates and file the orders with the TRA when they are issued by the KPSC and the VSCC. We anticipate that, as in previous dockets, TRA approval will be contingent upon approval by the KPSC and the VSCC. Therefore, we respectfully request that when the Staff completes its review, that KU's Petition be placed on the TRA Docket for consideration even if those approvals have not yet been obtained. We request the matter be placed on the TRA Commission Conference Docket for hearing on November 21, 2016.

Please contact me if you have any questions or need additional information.

Sincerely,

D. Billye Sanders
Attorney for Kentucky Utilities Company
