**VERIFIED PETITION OF AT&T TENNESSEE FOR AN ORDER CONFIRMING
RELINQUISHMENT OF ITS ELIGIBLE TELECOMMUNICATIONS
CARRIER DESIGNATION IN SPECIFIED AREAS**

Pursuant to 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205, AT&T Tennessee¹ (“AT&T”) respectfully requests an order from the Tennessee Regulatory Authority (“Authority” or “TRA”) confirming AT&T’s relinquishment of its Eligible Telecommunications Carrier (“ETC”) designation for only the portion of its service area in Tennessee specified herein, effective July 5, 2017. In support of this verified Petition, AT&T states as follows:

BACKGROUND

1. AT&T is an incumbent local exchange carrier (“ILEC”) certificated in Tennessee doing business as AT&T Tennessee.
2. On December 17, 1997, the Authority granted AT&T’s request pursuant to 47 U.S.C. § 214(e)(2) and Section 254(c) of the Telecommunications Act of 1996 and Federal Communications Commission Order No. 97-157 to designate AT&T as an ETC in certain service areas within Tennessee.²

¹ BellSouth Telecommunications, LLC d/b/a AT&T Tennessee f/k/a BellSouth Telecommunications, Inc.

² *Order Designating Eligible Telecommunications Carriers Pursuant to 47 U.S.C. § 214 (e), The Telecommunications Act of 1996, Section 254 (c), and FCC Order 97-157*, entered on December 17, 1997, in TRA Docket No. 97-00888.

3. Pursuant to 47 U.S.C. § 214(e)(1), ETCs are eligible to receive federal universal service funding in accordance with 47 U.S.C. § 254, in exchange for which they are required to offer and advertise supported services pursuant to 47 C.F.R. §54.201(d) and meet the obligations associated with the universal service programs in which they participate. Federal universal service funding includes “high cost” support to deploy and maintain networks in rural and other high-cost areas, as well as reimbursement from the Lifeline Assistance Program (“Lifeline”) for offering services to eligible low-income consumers at discounted prices.

4. ETCs also must comply with any applicable state-law obligations. The Tennessee Legislature has provided that the Authority “is authorized as a matter of state law to receive any jurisdiction delegated to it by the federal 1996 Telecommunications Act, in 47 U.S.C. § 214(e), or federal communications commission (‘FCC’) orders or rules” Tenn. Code Ann. § 65-5-109 (m). Thus, as a matter of State law, the TRA must adhere to federal law in this proceeding.

5. AT&T is currently designated as an ETC in the wire centers in Tennessee identified in **Exhibit “A”** hereto (“current ETC designated area”). AT&T seeks to relinquish its ETC designation in the entirety of its current ETC designated area *except* for the census blocks identified in **Exhibit “B”** hereto.³ The area for which AT&T is relinquishing its ETC designation is referred to as the “relinquishment area.”

6. AT&T’s relinquishment of its ETC designation in specified areas in Tennessee is prompted by changes to the universal service program at the federal level. Most relevant here, the Federal Communications Commission (“FCC”) has changed its approach to disbursing high-cost universal service support. Under the new approach established by the FCC’s Connect

³ Census blocks are the smallest geographic areas used by the Census Bureau to collect data. They are defined as “statistical areas bounded by visible features, such as streets, roads, streams, and railroad tracks, and by nonvisible boundaries, such as selected property lines and city, township, school district, and county limits and short line-of-sight extensions of streets and roads...” https://www.census.gov/geo/reference/gtc/gtc_block.html.

America Fund Phase II (“CAF Phase II” or “CAF II”), an ETC like AT&T can only receive funding to support and deploy broadband-capable networks in FCC-identified high-cost census blocks in its service area.⁴ A condition of CAF II support is that the carrier remain an ETC in the CAF II census blocks. Accordingly, AT&T is retaining its ETC designation in the CAF II eligible census blocks and CAF II extremely high-cost census blocks listed in Exhibit B.⁵ AT&T is no longer eligible for high-cost universal service support in the remaining portions of its service territory and, therefore, is relinquishing its ETC designation in those areas.⁶

7. There also have been dramatic changes to the telecommunications market since AT&T was originally designated as an ETC in Tennessee, and those changes affect AT&T’s desire to continue operating as an ETC in the relinquishment areas. Customers increasingly are no longer choosing AT&T’s and other ILECs’ traditional wireline residential voice service, and instead are choosing among numerous other options for their communications needs, including wireless and VoIP services. From 2005 to 2015, the number of traditional (*i.e.*, circuit-switched POTS) ILEC residential customers in Tennessee decreased by 74%, from 1,981,522 lines to 513,000 lines.⁷ AT&T’s residential lines declined by 82% during that same time period.

8. AT&T’s number of Lifeline customers in Tennessee likewise has plummeted, even as the total number of Lifeline customers has grown, because consumers have demonstrated

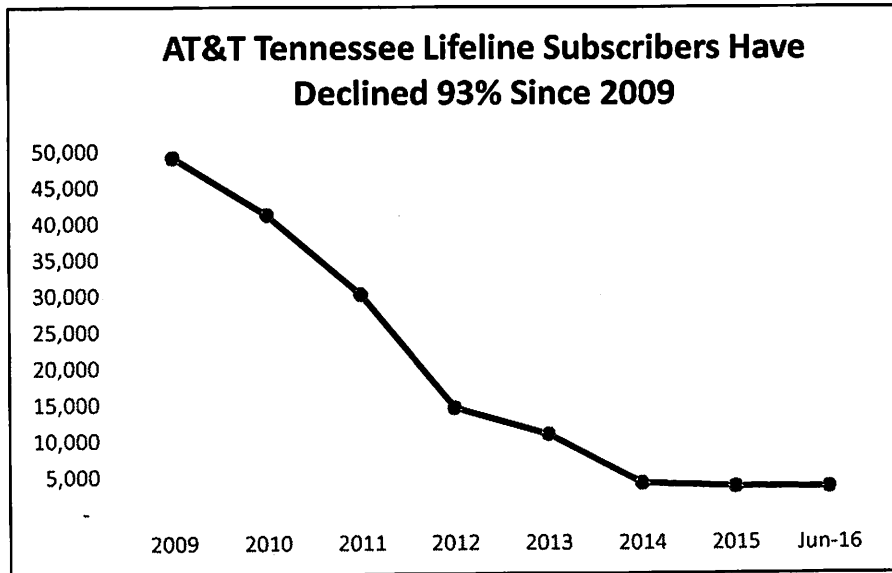

⁴ See generally Report and Order, *Connect America Fund*, 29 FCC Rcd. 15644 (2014); Report and Order and Further Notice of Proposed Rulemaking, *Connect America Fund*, 26 FCC Rcd. 17663 (2011) (subsequent history omitted).

⁵ In satisfying their CAF II requirements, CAF II recipients like AT&T are permitted to substitute locations in FCC-identified extremely high-cost census blocks for locations in CAF II eligible census blocks. See 47 C.F.R. § 54.310(c) (1).

⁶ If AT&T elects to participate in the FCC’s CAF II reverse auction and is awarded extremely high-cost service areas through that competitive bidding process, AT&T will file a new request for ETC designation in those areas at that time. See Report and Order and Further Notice of Proposed Rulemaking, *Connect America Fund*, WC Docket No. 10-90 et al., FCC 16-64, 2016 WL 3034969, ¶¶ 149-56 (May 25, 2016) (establishing the ETC designation process for CAF II auction winning bidders).

⁷ See FCC Local Competition Reports (2005-2013) and FCC Voice Telephone Service Reports (2014-2015). December 2015 is an estimate.

a strong preference for obtaining their Lifeline discount from wireless carriers. While the number of Lifeline customers throughout Tennessee grew by 29% from 2009 through June 2016, the number of AT&T's Lifeline customers declined 93% from 2009 through June 2016. Indeed, by June of 2016, AT&T served only about 1.1% of Tennessee's 310,000 Lifeline subscribers.

9. In light of these regulatory and economic changes, AT&T seeks an order confirming relinquishment of its ETC designation in the relinquishment area. The ETC designation is necessary only to receive high-cost support and, as interpreted by the FCC, to participate in the Lifeline program. AT&T no longer receives federal high cost support in the relinquishment area,⁸ and the relatively small and declining number of AT&T Lifeline customers in the relinquishment area can obtain Lifeline-discounted service from numerous other ETCs. Thus, for AT&T, the regulatory obligations associated with being an ETC are no longer justified in the relinquishment area.

⁸ AT&T accepted CAF I Incremental support ("Incremental Support") to deploy broadband service to some locations in Tennessee. AT&T's Incremental Support service obligation ends with its Form 481 submission to the FCC, with a copy to the Authority, no later than July 1, 2017, which is prior to the relinquishment effective date identified in this Petition.

10. Furthermore, AT&T's ETC designation in the relinquishment area is not necessary to achieve universal service objectives. AT&T's relinquishment of its ETC designation in the relinquishment area will not affect either the ability of other ETCs to participate in the federal universal service program, including Lifeline, or the amount of support available in Tennessee. Moreover, after relinquishment AT&T will continue to offer and provide service in the relinquishment area – the only impact of relinquishment will be that AT&T will no longer provide the Lifeline discount in the relinquishment area. Relinquishment also will not affect AT&T's commitment to deploying broadband service.

LEGAL STANDARD

11. In 47 U.S.C. § 214(e) (2) and (4) and 47 C.F.R. § 54.205, Congress and the FCC delegated authority to state commissions to designate carriers as ETCs and to permit carriers to relinquish their ETC designation. The standard for relinquishing an ETC designation is set forth in 47 U.S.C. § 214(e)(4), which states, in pertinent part:

A State commission...shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission...of such relinquishment.⁹ (emphasis added).

⁹ 47 U.S.C. § 214(e)(4) also provides, in part:

Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission...shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier.

This language is inapplicable to this request as AT&T will not discontinue *any* service as a result of the Authority granting this Petition. Rather, AT&T will continue to provide the services it offers today until such time as it obtains any necessary approvals to discontinue any of them. Thus, every AT&T customer in the areas for which AT&T's ETC designation is being relinquished will continue to have AT&T services available.

12. Neither federal nor state law treats relinquishment of an ETC designation by an ILEC any differently than relinquishment by other designated ETCs. The Authority has previously allowed relinquishment of ETC designation.¹⁰

AT&T IS ENTITLED TO RELINQUISH ITS ETC DESIGNATION

13. AT&T meets the standard for relinquishing its ETC designation because each wire center in the relinquishment area has at least five (5) other designated ETCs (and some wire centers have as many as seven (7) other designated ETCs).¹¹ Those other ETCs are listed in **Exhibit “C”** hereto. To AT&T’s knowledge each of those entities remains a designated ETC in those wire centers in the relinquishment area.

14. After the Authority grants AT&T’s Petition, AT&T will continue to offer its services to customers throughout the relinquishment area, including low-income consumers. The only change will be that the Lifeline discount will no longer be available to AT&T’s customers in the relinquishment area. AT&T’s current Lifeline customers can continue to receive service from AT&T or may receive the Lifeline discount from another ETC, as every wire center in the relinquishment area has several other designated ETCs. As of June 30, 2016, AT&T had only 3,004 Lifeline customers within the relinquishment area in Tennessee, a number that has been decreasing over time as eligible consumers have elected to obtain their Lifeline discount from another ETC.

15. AT&T will ensure that its Lifeline customers in the relinquishment area receive ample notice of the need to select another ETC in order to continue receiving a Lifeline discount. At least sixty (60) days prior to the relinquishment effective date, AT&T will provide notice in a

¹¹ To be clear, each ETC listed on Exhibit C is a designated ETC in one or more of the wire centers in the relinquishment area, and every such wire center has at least five (5) designated ETCs.

separate letter via U.S. Mail to each of its affected Lifeline customers explaining that AT&T will no longer offer a Lifeline discount. AT&T also will send each remaining affected Lifeline customer a second notice letter and a bill message at least 15 days prior to the relinquishment date. All notices will inform each affected customer that a Lifeline discount can be obtained from the remaining ETCs in the area and will provide the link to lifelinesupport.org through which a customer may obtain carrier-specific contact information. All affected Lifeline customers will continue to be able to obtain service from AT&T, although the Lifeline discount will be removed as of the relinquishment effective date. **Exhibit “D”** is a sample copy of the language that will be used in the letters and bill message that AT&T intends to deliver to each of its affected Lifeline customers.

16. To avoid customer confusion and assist with a smooth transition process, AT&T plans to stop enrolling customers from the relinquished area in the Lifeline program as of the date the Commission issues an Order or March 31, 2017, whichever is later. This approach, which is consistent with the approach taken in other jurisdictions,¹² will prevent a newly enrolled Lifeline customer from having to change to another Lifeline provider shortly thereafter.

¹² See *Application of Sprint Nextel Corporation to Relinquish Its Designation as an Eligible Telecommunications Carrier*, Texas PUC Docket No. 40543, Staff Memo at 2 (July 25, 2012) (“Ms. Kimberly Scardino, Deputy Division Chief, the FCC TAPD, stated in an email to Staff dated July 24, 2012, that Staff’s requirement that no new Lifeline customers be enrolled in Sprint Nextel’s Lifeline plan after the 90-day notices have been sent does not conflict with Federal ETC requirements.”); *Telecommunications Carriers Eligible for Support, Federal-State Joint Board on Universal Service*, WC Docket No. 09-197, CC Docket No. 96-45, 27 FCC Rcd 14215 (WCB 2012) (approving Verizon Wireless’s ETC relinquishment notice, which also informed the Commission that it would cease enrolling new Lifeline customers prior to its relinquishment date). See also, *Cricket’s Notice of Relinquishment of Eligible Telecommunications Carrier Designations*, WC Docket No. 09-197, CC Docket No. 96-45, filed with the FCC on October 14, 2014; *In re: Application of Cricket Communications, LLC for a Commission Order Granting Relinquishment of its Designations as a Lifeline-Only Eligible Telecommunications Carrier*, Case No. 2015-00135, Kentucky Public Service Commission (May 14, 2015); *Order Granting Petition for Relinquishment of Eligible Telecommunications Carrier Designation, In re: Petition of Cricket Communications, Inc. for Designation as an Eligible Telecommunications Carrier*, Order No. 02 in Docket UT-111534, Washington State Utilities and Transportation Commission (February 26, 2015); *Order Cancelling Eligible Telecommunications Carrier Designation, In re Petition of Cricket Communications, Inc. for Relinquishment of Eligible Telecommunications Carrier Status*, Docket No. 15-CRCZ-296-ETC, State Corporation Commission of Kansas (February 10, 2015); *Order of the Commission, In re Verified Petition of Cricket Communications, Inc. for Relinquishment of its Designation as an Eligible Telecommunications Carrier*, Cause No. 41052 ETC 57, Indiana

17. AT&T requests that the Authority issue an order granting this Petition as soon as possible, but no later than March 27, 2017, so that AT&T can provide ample notice to its Lifeline customers well prior to the relinquishment effective date of July 5, 2017.

18. After the relinquishment effective date, AT&T will be an ETC only in the census blocks identified in Exhibit B. Thereafter, that area will be AT&T's ETC designated area or ETC service area in Tennessee.

19. Included with this Petition is a proposed order for the Authority's consideration.

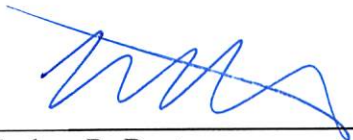

Utility Regulatory Commission (February 4, 2015); Order, *Cricket Communications, Inc. Petition to Relinquish its Designation as an Eligible Telecommunications Carrier Under 47 U.S.C §214(e)(2)*, Docket No. 14-0635, Illinois Commerce Commission (January 6, 2015); Order, and, *In Re Petition of Cincinnati Bell Wireless, LLC for Relinquishment of Eligible Telecommunications Carrier Designation*, Case No. 2014-00140 at 2 (May 16, 2014).

CONCLUSION

For the foregoing reasons, AT&T respectfully requests that the Authority grant this Petition expeditiously and issue an order confirming AT&T's relinquishment of its ETC designation in the relinquishment areas in Tennessee, effective July 5, 2017.

Respectfully submitted this the 27th day of October, 2016.

**ORDER CONFIRMING AT&T TENNESSEE'S RELINQUISHMENT OF ITS
ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION
IN SPECIFIED AREAS**

This matter came before _____, _____, and _____ of the Tennessee Regulatory Authority ("TRA" or the "Authority") for consideration of the verified *Petition of AT&T Tennessee for an Order Confirming Relinquishment of Its Eligible Telecommunications Carrier Designation in Specified Areas* filed by AT&T Tennessee ("AT&T"). After consideration of the facts contained in the record and the applicable law, TRA finds that AT&T meets the standard for relinquishment of its ETC designation, as the record shows that more than one other designated ETC serves each of the wire centers where AT&T seeks to relinquish its ETC designation. The Authority therefore confirms AT&T's relinquishment of its eligible telecommunications carrier designation in specified areas in the State of Tennessee, effective as of July 5, 2017.

IT IS THEREFORE ORDERED THAT:

1. AT&T's relinquishment of its ETC designation in all portions of its ETC designated area except those identified in Exhibit "B" to AT&T's Petition is hereby confirmed.
2. AT&T may stop enrolling new Lifeline customers in the area where it is relinquishing its ETC designation as of March 31, 2017 or the date of this Order, whichever is later.

3. AT&T shall provide advance notice of the relinquishment of its ETC designation to affected Lifeline subscribers in the manner set forth in its Petition.

_____, _____, and _____ concur.

Hello {Customer Name},

We will no longer provide a Lifeline discount in your area in Tennessee through the Lifeline Program beginning 7/5/2017. This change is due to our decision to no longer be an eligible telecommunications carrier (ETC) in Tennessee in your area.

How does this impact you? While your voice service will not change, you will no longer receive the Lifeline discount on your monthly bill. In order to retain your Lifeline discount, you must contact another ETC service provider participating in the Lifeline Program. A list of those providers can be found at lifelinesupport.org or you can call Universal Service Administrative Company (USAC) at 888.641.8722.

AT&T has many solutions to fit your voice service needs. If you are interested, please call us at **XXX.XXX.XXXX** to speak with a representative to find out about other possible solutions.
