Re: Declaration of Force Majeure Event — TRA Docket No. 16-00141

Dear Chairman Jones:

On December 1, 2016, I informed you that pursuant to Section 4.5.2 of AT&T Tennessee's Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Tennessee hereby declares a force majeure event due to the wildfires that began November 28, 2016 and continues to impact AT&T Tennessee's operations. The Service Quality Measures ("SQMs") impacted due to this event include all measures associated with Provisioning, Maintenance & Repair, and Trunk Group Performance.

I am pleased to inform you that as of December 9, 2016, AT&T Tennessee is lifting our force majeure declaration in the last one of three wire centers of Tennessee in which it had been declared. AT&T Tennessee submits the attached spreadsheet, Attachment A, identifying the status of all wire centers affected by the wildfires. AT&T Tennessee hereby notifies the Commission that the force majeure event period has concluded.

The original and four (4) copies is submitted for distribution as needed along with the required \$25.00 filing fee. Also included is a copy to be stamped and returned to our offices at your convenience in the self-addressed stamped envelope provided. If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

/s/ Dennis Wagner
