Notice of Public Hearing

The Tennessee Regulatory Authority (TRA) has scheduled a public hearing in Docket No. 17-00008 to consider Entergy Arkansas, Inc.'s (EAI) Petition and the Arkansas Public Service Commission's (APSC) Decision on EAI's Rate Schedule No. 44, Formula Rate Plan Rider (Rider FRP), which was approved by the APSC for all EAI retail classes of customers in Arkansas. EAI requests the same general retail rate changes for EAI's Tennessee retail customers living on the west side of the Mississippi River between Marion, Arkansas and Blytheville, Arkansas. EAI traditionally charges the same rates for its approximately 10 Tennessee retail customers as its approximately 707,276 Arkansas retail customers, subject to approval of the TRA.

The TRA has scheduled a public hearing for Monday, April 10, 2017 at 1:00 p.m. (CDT) during the TRA Authority Conference and it will be conducted in the Hearing Room on the Fourth Floor at 500 Deaderick Street, Nashville, Tennessee. The matter will be heard by the voting panel of Chairman David Jones, Director Kenneth C. Hill and Director Robin Morrison, and will be conducted in accordance with the Tennessee Uniform Administrative Procedures Act. All parties are entitled to be represented by counsel. Members of the public may submit written comments or participate by presenting oral comments during the hearing. At the commencement of the hearing, the panel will consider the APSC's decisions and the compliance tariffs filed by EAI in this Docket on July 22, 2016.

The rate increase for each rate class under consideration is as follows:

Residential	5.3984%
Small General Service	5.5274%
Large General Service	4.3540%
Lighting	4.0320%
