Subject: Docket 17-00014

Counsel,

I have reviewed the Consumer Advocate's letter filed May 8th. I'm out of the office until May 15th. Does either party object to suspending the procedural schedule until we can have a status conference to discuss issues raised in the Consumer Advocate's letter? In the meantime, the parties can confer and submit a revised proposed procedural schedule to me.

Monica Smith-Ashford
Hearing Officer
